Preface to the Civil Account Code, Vol. II, Eighth Edition (Second Reprint).

This edition is a second reprint of the 8th edition of the Civil Account Code, Volume II, with such additions and alterations as have been introduced through correction slips issued up to date. Opportunity has been taken also to make a number of verbal corrections to the various articles of the Code. The only notable change made is the addition of Forms Nos. 40-A, 41-A, 41-B and 66 A by transfer from the Book of Account Forms.

NEW DELHI; E. BURDON,

The 1934 *Auditor General in India.*

Preface to the Eighth Edition of the Civil Account Code, Volume II.

1. This edition of the Civil Account Code is divided into two volumes —

Volume I—Instructions to Officers generally in dealing with Treasuries (corresponding to Part I, Volume I, of the seventh edition)

Volume II—Treasury Procedure (corresponding to Part II, Volume I, of the seventh edition)

The departmental regulations and the procedure relating to audit and accounts which had been described in Volume II of the seventh edition of the Civil Account Code have now been incorporated in two separate publications, *viz*, Audit Code and Account Code

2 Volume I is intended primarily for officers of all Civil Departments including the Public Works and Forest Departments the special rules relating to which are embodied in the departmental account codes, *viz*, the Public Works Account Code and the Forest Account Code respectively Volume II describes the procedure observed in Treasuries in respect of transactions with the public and with all departments, Civil Military, Railway or Posts and Telegraphs

3 Volume II of the eighth edition is primarily a reproduction of the seventh edition of the Civil Account Code, Volume I, Part II, with such alterations as have since been introduced through lists of corrections or are considered otherwise necessary

4 The following important alterations have been made in this Volume —

(a) All revisions of rules and additions necessitated by the amalgamation of the Civil and Public Works Account Offices and by the recent introduction of the revised system of Public Works Accounts

(b) Removal from this Code of all portions dealing with the rules which are now under the administrative control of the Controller of the Currency

(c) Revision or rearrangement of —

(i) Chapter 22—Central Departments

(ii) Chapter 23—Forest Department

(iii) Chapter 24—Public Works Department

(d) Addition of —

(i) New Chapter—Railways

(ii) New Chapter—Military Works

(iii) New Chapter—Local Funds

(e) Deletion of —

(i) Chapter 23 A—Forest Department Accounts of Divisional and other officers This chapter has been revised and incorporated in the new Forest Account Code

(ii) Chapter 28—Service Funds This chapter has been revised and transferred to Volume I, eighth edition

(f) Renumbering of all chapters articles, etc , and consequent revision of the Index

5 To facilitate reference all rules appendices and forms of the eighth edition which have undergone revision, other than that of a textual nature, have been marked by an asterisk

Treasure

263 (*a*) Detailed rules for dealing with treasure both specie and currency notes, are laid down in the Resource Manual issued by the Controller of the Currency

(*b*) A remittance of treasure as soon as it is despatched from or paid out of a treasury, should be charged off in the cash book (Article 278) the words Local Cash Remittances or ' Foreign Cash Remittances being the first words of the entry This rule does not apply to Currency Remittances *i e* remittances from a Currency Office or from another Currency chest

(*c*) Similarly immediately on the arrival of a remittance credit for the whole invoiced amount should be given in the cash book the same heading being employed the place whence the remittance is received also being noted therein

Treasurer's Department

264 The Treasurer should maintain a simple cash book (without subordinate registers) in which each receipt and payment is posted at the time of making it The Treasurer will sign and immediately return to the Accountant (after the necessary entry in his accounts) all receipts for money received He will stamp all payment vouchers ' Paid and retain them for delivery to the Account Department when the books are compared

265 When stamps or opium have been sold the total sales should be entered before the cash book is closed and a memorandum should be prepared and forwarded to the Accountant so that the necessary entry may be made in the accounts

Receipt of Money

266 The memorandum (chalan) in form 32-A with which money is presented to be paid in (Article 5) will be handed first to the Accountant (treasury clerk) who if it is in order in all respects will sign it Next the person making the payment will present it with the *cash to the Treasurer, who will count* and test the money enter the amount in his own book and sign the slip, which will again be taken to the Accountant for entry in his cash book and for the preparation of a formal receipt for his own or the Treasury Officer s signature, such a receipt only will be a proper acquittance If the memorandum is in duplicate one (original) copy may be made use of for the receipt given by the treasury

NOTE —Remittances made into Treasuries by Railways on the last working day of a financial year should on the authority of the Railway chalans be brought into the *Treasury Accounts* for the day on which they are received even though they remain

unshroffed When however, they are subsequently shroffed any excesses or deficiencies which may come to light between the shroffed amounts and the sums previously brought into accounts, should be adjusted with the [illegible] ury Accounts for April—the deficiency, in the manner [illegible] the Resource Manual and the excess unless refunded [illegible] credit in the Treasury Account as an item of Railway [illegible] to a potdar, the Treasury should send a separate intimation of the amount to the Railway Officer who made the remittance

1 Receipts for sums less than Rs 500 do not require the Treasury Officer's signature All will be signed by the Accountant and as those for sums received by transfer in account will not be signed by the Treasurer, the District Officer will, by an Office order designate the person who shall attach the second signature in the case of sums under Rs 500

2 The Public Works Indian Posts and Telegraphs and other Departments, send a remittance book with their payments to the treasury, and in it the treasury receipt should be given The usual memorandum (or *chalán*) is required, in addition to the remittance book, for use in the treasury

3 When slips in duplicate are tendered with cash, the Accountant may initial both and receiving both back signed from the Treasurer may complete his signature on one and return it as a receipt to the person who makes the payment, first obtaining, in the case of sums of Rs 500 and upwards, the signature of the Treasury Officer

4 Cash should not be received from officers of Government for supplies of service stamps which should be made only under the rules referred to in Note 2 to Rule 4 Appendix 9 Nor should any receipts be granted for such supplies except when payment is made therefor by a cheque drawn by an Officer of the indenting department and not by a pre audit cheque issued by the Accountant General, see also Ruling 12 (*b*) of Appendix 5 A receipt should however be issued when service stamps are sold for cash to the public under Note 1 to the Rule quoted above Whenever a receipt is granted it should be on a printed form filled up by the clerks of the treasury and should always be signed by the Treasury Officer whatever the amount may be The sale of service stamps to officers of Local Funds, or to Government officers in capacities connected with such funds, is prohibited, *vide* Article 221

5 The Military Department has a printed form of requisition for postage stamps The Treasury Officer should return this form duly signed No separate receipt need be granted to the Indenting Officer

The Public Works Department has also a special printed form of indent for service postage stamps for use when the value of stamps is paid by cheque This form should be recorded in the treasury and not signed by the Treasury Officer as a receipt

6 When money has been paid into a treasury, the Treasury Officer should not sign a duplicate memorandum, or a copy thereof, on the allegation that the original has been lost For further instructions relative to the issue of duplicates of receipts or vouchers, see Article 16

7 In places where the treasury banks with a branch of the Imperial Bank of India the memorandum must, except when otherwise provided, be presented to the Treasury Officer, who will enface it with an order to the bank to receive the money and to grant a receipt [illegible] by the Treasury Acco[illegible] Central area) are invar[illegible] the acceptance at such b[illegible] 6 [illegible]

8 A special procedure has been authorised for Bengal and Assam

9 A special form of *chalan* has been prescribed for the payment of income tax into treasuries The portion of the *chalán* which is marked Original (to be returned to the Income tax Officer) ' should be sent to the Income tax Officer concerned.

Payment of Money.

267. The bill or other voucher presented as a claim for money will be received and examined by the Accountant, and then laid before the Treasury Officer, who, if the claim be admissible, the authority good, the signature true and in order, and the receipt a legal quittance, will sign the order for payment at foot of the voucher taking care to adopt the precautions prescribed in Article 13 (c) Care should be taken that all bills and vouchers passed for payments are paid on the same day and that no payment is made except under the written order of the Treasury Officer

1 A Treasury Officer must not honour a claim which on the face of it is disputable he will request the claimant to refer the question to the Accountant General

2 Nor may he undertake correspondence for an officer making a claim to any special allowance, but will request him to address the Accountant General either direct or through his own official superior

3 A register should be kept in each treasury showing the names of all gazetted officers drawing their pay from that treasury and as each payslip is received from the Accountant General, the amount of pay which it sanctions should be entered against the name of the officer concerned As each pay bill is presented for payment reference to this register should be made to see that the sanctioned rate is not exceeded

4 The Treasury Officer should take special care to see that receipt stamps are so defaced that they cannot be used again and offer no temptation to the abstraction of vouchers for the sake of the stamps upon them Several cases of the loss of vouchers have occurred owing to neglect of this precaution

5 No payment is to be made without the orders of the Accountant General to a Government servant transferred from another province or from another department or on return from leave out of India See Treasury Orders 21 and 22

6 The Audit Officer will supply all Treasury Officers within his audit area with a copy of the specimen signature of all Gazetted Officers serving under him who are authorised to sign payment orders on bills and vouchers or to issue letters of authority for payments to be made at treasuries Before a Treasury Officer pays a bill on the ...

the rules regarding the completion of vouchers, referred to in Article 13 The Treasury Officer must have sufficient information as to the nature of every payment he is making, and is without excuse if he accepts a voucher which does not formally record that information

1 The Treasury Officer, before paying any bill of a covenanted civilian, must see that the deduction on account of the Indian Civil Service Provident Fund has been made Instructions relating to Service Funds generally will be found in Chapter 15, Volume I

2 Treasury Officers when cashing bills for Survey Officers and others at a distance from the treasury, should furnish a note explaining the amount of cash and transfer receipts (if any) issued, and any deductions or alterations that may be made in the bill presented The note should be in bi lingual form, as it is important that the guard or messenger who receives the money should ascertain that the amount stated agrees with the actual cash or drafts delivered to him, and when that person is unable to read, the Treasury Officer should himself explain to him the amount entered on the note

The following form is recommended —

Bills presented for pay and allowances, etc			000
Bills presented for contingencies			000
Bills presented for sundries			000

Treasury Officer.

3 When bills presented for payment contain obvious arithmetical mistakes or trifling mistakes which can easily be corrected a Treasury or Sub Treasury Officer should not return such bills but should correct them and pay the corrected amount of the bill Similarly where bills contain doubtful items which can easily be eliminated, the Treasury or Sub Treasury Officer should disallow the doubtful items and pay the remainder of the bill In all cases the corrections made and the reasons therefor should be intimated to the presenter of the bill and, if necessary, to the Accountant General (or the Treasury Officer in the case of payments made at a Sub Treasury)

269. After the voucher has been completely entered in the accounts, and the order to pay signed by the Treasury Officer, it should be passed on, together with the payee, to the Treasurer's department, when the Treasurer will make the payment and enter it in his account, which is a cash book (without subordinate registers) in which each transaction is posted as it occurs The Treasurer will punch the stamp, stamp the voucher "Paid ", and return it for delivery to the Account Department when the books are compared

1 When a payment is made "by transfer ,—that is by entry of the amount in the accounts as received under some head of receipt —no payment of cash takes place and the item will not find a place in the Treasurer s cash book, nor should the voucher be stamped ' Paid by him

N *B* —Cheques received in payment of value of service stamps should, however, be entered in the Treasurer s cash book on both sides

2 When a payment is to be made by transfer to a head of revenue or receipt for which a register is maintained (say, for example, Land Revenue) the payment order should indicate the major and detailed heads affected and should run— *Pay Rs by transfer to credit of Land Revenue, Fixed Collections* '

3 When the entries in the accounts are complete, the voucher should be stamped by the Accountant *Paid by transfer*

270. The procedure in regard to the receipt, custody and payment of money at district treasuries is generally applicable to sub treasuries also, save that —

(a) With the exceptions mentioned in Article 57 and with certain local exceptions, no bill may be paid at a sub treasury without being first submitted to, and payment directed by, the District Treasury Officer See Article 9 and Rules 2 and 3 under it

(b) All receipts for money paid in at a sub-treasury in a Central area should be signed by the Sub Treasury Officer, as the rule in Article 5 authorising the Accountant and the Treasurer to sign receipts for sums less than Rs 500, is not applicable to sub treasuries in a Central area In Coorg Taluk Sheristedars employed at sub-treasuries are authorised to sign receipt for sums not exceeding Rs 125, and in Delhi receipts for sums less than Rs 500 are signed by the Accountant of the District Treasury

NOTE 1 —Where sub treasuries have been permitted to cash certain classes of bills without reference to the District Treasury Officer, the payment of such bills should not, except under special arrangements and on particular occasions, be allowed at the district treasury also

NOTE 2 —Service postage stamps may be issued direct from sub treasuries on the presentation of the bills without the bills being first passed by the District Treasury Officer See Articles 98 and 429

271. Officers of certain departments are authorised to obtain funds from sub treasuries by means of cheques Any extension of the system will require the sanction of the District Officer which sanction will be subject to the veto of the Deputy Controller of the Currency if that officer is of opinion that it will cause extra expense, direct or indirect, by the locking up of funds in sub treasuries, or any radical change in the character of these offices, which are collecting depôts, and not disbursing treasuries

Payments to Persons not in Government Service.

272. The Government of India have directed that, when a person not in the Government service claims payment for work done, service rendered or articles supplied, the Treasury Officer should require—

(a) The submission of the claim by the Head of the Department or other responsible Government officer under whose immediate order the service was done or the equivalent was given for which payment is demanded

(b) Failing the above, in cases when it may be necessary to pay the amount of a bill drawn by a person not in the Government service, and also when the authority of the Head of the Department or responsible officer is insufficient, an order from the Accountant General should be sought by furnishing that officer with any necessary particulars for obtaining the sanction of Government, should such be needed

(c) And in any event, if a bill be drawn by a person not in the Government service the Treasury Officer should use special precautions for satisfying himself of the identity of the applicant for payment

(d) In all doubtful cases, the Treasury Officer should take the orders of the Collector, who must be expected to assume the responsibility of his position, and he would doubtless be supported by the Government, if he can show that he has exercised a proper amount of care and discretion in the matter When this necessity occurs, however, he should immediately report the fact to the Accountant General.

NOTE 1 —The Treasury Officer should, at the time of making payments to non officials either on behalf of Government or any local authority on account of fees, commission bonus, remuneration or reward of any kind, communicate the fact with the addresses the payees to the Income tax Officer concerned, if the amount of each payment is r less than Rs 250

NOTE 2 —Payments due to contractors may be made to financing Banks instead direct to contractors provided that the Department concerned obtains (1) an authorisatio from the contractor in the form of a legally valid document like the power of attorn or transfer deed conferring authority on the Bank to receive payment and (2) tl contractor s own acceptance of the correctness of the account made out as being d to him by Government or his signature on the bill or other claim preferred agair Government in his behalf, before settlement of the account or claim by payment the Bank While the receipt given by the Bank holding a power of attorney or tran deed from the contractor constitutes a full and sufficient discharge for the paym contractors should, wherever possible be induced to present their bills duly receipt and discharged through their Bankers

272-A. Payment of an income tax refund voucher may be made to the refundee himself or to a person duly authorised by him to receive payment provided that the receipt at the foot of the refund voucher is signed by the refundee himself The precautions prescribed for payments to persons not in Government service should be observed in this case with special care

1 This rule also applies to departmental Receipt Books, Form 3 (P W A), required for issue to officers of the Public Works Department

274. (i) When a cheque is presented, care should be taken to ascertain by examination of its printed number that it really was taken from the book notified as in use by the officer who is said to have signed it The instructions given in Articles 23, 24 and 26 should be specially borne in mind

(b) Cheques crossed in accordance with the provisions of Chapter XIV of the Negotiable Instruments Act should be honoured when presented at the treasury

1 If the payee is unknown at the treasury, the Treasury Officer should make any enquiries he thinks necessary and should specially consider the date serial number and amount of the cheque as well as handwriting and, if suspicion arise, he may defer payment until he has referred to the drawer

2 Pass books sent to the treasury to be written up should ordinarily be returned to the drawing officer the same day

275. (a) Every payment made on the authority of any letter of credit must without fail be noted against it at the time of passing it under the Treasury Officer's initials This has been specially provided for in the case of Railway Department cheques which are charged in the register of cheques paid (Form 63) and in the Railway Officer's pass book A similar plan may be followed for other departments, but either on the reverse of the letter of credit or in Form 63 or a similar form, a note must be made and a balance struck each time a cheque is paid at the district treasury

(b) *The Treasury Officer must bear in mind that the letter of credit shows the maximum amount he has authority to pay, or the officer*

278 (a) Every item received or paid must be entered at once in some register subsidiary to the Cash Book and numbered in a consecutive monthly series for each register

(b) Form 32 is that prescribed for the Cash Book which should be maintained in two separate parts—one for receipts and the other for expenditure

(c) All departmental receipts for which separate returns are submitted will be recorded in separate registers in Form 35 ~~in which columns should be provided for any necessary detailed heads but no other details such as the amount of daily receipts or the names of persons paying in money will be required~~ From these registers daily totals will pass into the Cash Book

(d) All payments will likewise be recorded in separate registers in Form 36 according to the various classes of payments from these registers daily totals will pass into the Cash Book

(e) For deposit and bill transactions and for some others special register forms are prescribed as laid down in the following chapters

NOTE—The words separate register do not necessarily imply a separate *volume* It is often convenient to include several *registers* within the same *volume* a set of continuous pages being set aside for each.

2 The net cash payment only should be entered in the list of payments though all deductions must be detailed in the bill there must not be a gross debit with a *per contra* credit even when a sum is being recovered under the Accountant General's orders The following are the exceptions to this rule of net debits —

(1) In the case of income tax deducted from bills for interest on Government securities and from the pay establishment and pension bills of officers and establishments who are under the audit control of the Audit Officer to whom the treasury accounts are rendered the gross amount of the bills will be charged and the income tax deductions will be credited but when the bill relates to an officer or establishment who is in another Audit circle the net payment only will be shown

following general principles in the case of treasuries which are not under the control of the Accountant General, Central Revenues —

(i) There should be separate schedules of the receipts and expenditure for each department and for each major head of account not relating to any particular department All revenue receipts and service payments should appear in one or other of these schedules Receipts on account of a department for which descriptive major heads are not opened on the receipt side should be included in the schedule for the major head XXXV—Miscellaneous

NOTE 1—In the case of small departments or of major heads under which the transactions are few two or more such departments or major heads may, at the discretion of the Accountant General be treated as relating to a single department

NOTE 2—Where a separate schedule has been prescribed by the Accountant General it should invariably be prepared, even if there be no transactions in the treasury account under the head concerned during the period in respect of which the schedule is prepared In such cases the schedule will show the transactions as *nil*

(ii) Transactions of the Central Government should be shown in separate schedules one of which should be reserved for pensionary receipts and charges and another for the transactions of the Public Works Department

(iii) Miscellaneous items of receipts and recoveries of service payments will be shown with full particulars in the receipt schedules of the department by or at the instance of which the money is presented at the treasuries

(iv) Advances of pay, travelling allowances etc to Government servants and recoveries of such advances should be included in the schedule of the department to which the Government servants concerned belong

(v) Payments relating to personal claims of Gazetted officers should be shown in a separate column of the schedule of payments Schedules containing such payments should be submitted in duplicate To facilitate posting, the form and size of the payment schedule and those of the subsidiary register of payments at the treasury should be one and the same so that the payments may be recorded simultaneously in both documents by carbon process two sheets being used as the schedule and the third as the subsidiary payment register As an alternative to the procedure prescribed above payments relating to the personal claims of Gazetted officers may be entered in a separate covering list, the total of which should be brought forward as a single item in the relevant schedule of payments

(vi) The vouchers for refund of revenue should be entered in a separate subsidiary schedule for each department, and the total of this schedule should be entered as a distinct item in the relevant schedule of

payments As an alternative to this procedure, the refunds of revenue may be shown in a separate column, in the payment schedule of the department or major head concerned

(vii) Ordinarily each schedule of payments should be in two parts The total of the first schedule of payments, which is sent to the Accountant General, on the 10th of the month, should be brought below, and added to, the total of the second schedule of payments, so that the grand total in the latter may agree with the entry in the list of payments

(c) The entries from the Cash Book and registers subsidiary thereto into the Cash Account List of Payments and schedules pertaining to these documents will be made in accordance with the following orders —

(i) Those transactions which, under the orders in force in the province, have to be recorded in full in any one of these documents should be entered therein on the date on which they appear in the Cash Book or on the following day provided that the transmission of the Cash Account, List of Payments and schedules pertaining to these documents on the due dates is not thereby retarded

(ii) The lump entries appearing in the Cash Account, List of Payments and schedules pertaining to these documents must be made therein in time to permit of the completion of those returns and their submission to the Accountant

†See Article 270

and the receipts and payments (after examination) are to be posted from it on the day of receipt into the accounts of the district treasury in the same way as if they had taken place at it But they do not pass into the Treasurer s cash book

NOTE —If a Treasury Officer owing to the volume of sub treasury transactions finds it difficult to scrutinise each and every sub treasury voucher, he may at his discretion leave over the work to the Accountant, a percentage check not less than 20 per cent being effected by him All vouchers checked by the Treasury Officer himself must be initialled by him as a token of the fact that he has exercised the check

282 Remittances of cash between the District Treasury and any of its sub-treasuries otherwise than through Currency and transfers between currency and treasury made under paragraph 39 of the Resource Manual are not to be entered in the cash book of the district treasury, either as payments when the remittance is made, or as receipts when received They will necessarily appear as payments and receipts in the cash books and daily sheets of the sub treasuries concerned but will be excluded in posting the district accounts in which they will thus remain part of the balance A complete check over these remittances is obtained by means of the Accountant s balance sheets (See Article 284)

NOTE —If however there is ~~a branch of~~ the Imperial Bank ~~of India~~ at either end doing the work of the district or of the sub treasury, the remittances and transfers should be treated as local cash remittances and debits for remittances sent and credits for remittances received also the corresponding credits and debits in the sub treasury daily sheets should appear in the cash book of the district treasury as well as in the cash accounts and list of payments

285 Payments are generally made at sub treasuries on cash orders issued by the district treasury the method of adjustment of such orders is explained in Article 349 See also Rule 2 under Article ''

NOTE 1 —Cash orders outstanding for more than six months in Baluchistan and three months elsewhere should be held as lapsed and should be stopped, the charges they represent being cancelled and adjusted

NOTE 2 —The necessary adjustment will be made by the Accountant General A statement of lapsed cash orders should be submitted with the monthly cash accounts specifying (I) in the case of cash orders issued for *Service payments* the number and date of the vouchers in which the charges were originally drawn and the name of the officer by whom they were drawn and (II) in the case of cash orders issued on behalf of a *Ward s Estate* or a *Municipality* the number and date of the cheques The total amount of cash orders included in the monthly statement should be deducted from the closing balance in the *plus* and *minus* memorandum and a note must be made in the Ledger (Form 46) against items included in the statement that they have been reported to the Accountant General for adjustment as lapsed

NOTE 3 —If payment is subsequently claimed, the claimant should forward the lapsed cash order to the Treasury Officer who will arrange for the payment, a note being made against the entry concerned in Form 46 so as to prevent a second repayment

Closing for the Day.

284. The process of closing accounts for the day is as follows —

(a) The daily total of each register will be entered in the cash book, which will then be totalled, and the balance memorandum at the top of the Accountant's balance sheet (Form 39) will then be drawn up To the account balance thus brought out, the additions and deductions indicated in the form will be applied so as to bring out the cash balance at the district treasury

(b) Meantime, the treasurer will also sum both sides of his cash book and draw up his balance memorandum in the form of the Treasurer's daily balance sheet prescribed in the Resource Manual issued by the Controller of the Currency

(c) If the results shown in the two balance sheets agree, the Treasury Officer should sign the two cash books and the two balance sheets He should first satisfy himself of the correctness, and good order of all these documents and should give special attention to the reconcilement of the account balance of the district with that actually in the [illegible]

(3) see that the totallings are correctly carried from register to cash book,—initialling the totals as he thus compares them

N B—This must be done in the case of receipt registers, even when the total for the day is blank but it is not necessary to initial blank payment registers If the number of blank receipt registers is great the following plan may be adopted Such registers as are only rarely required for entry may be bound in a single volume and kept under the Treasury Officer's own lock When the volume is required for an entry, he should give out the register for the purpose, and he should receive it back at the time of signing the daily accounts carefully seeing in doing so that all new entries in it are correctly carried to the cash book, and initialling them accordingly It is obviously necessary to guard against fraud or mistake of omitting to bring an entry from these registers upon the cash book and this precaution is not complete if the Treasury Officer examines only those registers from which an entry is made upon the cash book

(4) have the totalling of the cash book verified by himself or some principal subordinate officer, other than the Accountant, who should initial it as correct,

(5) see twice every week, that all vouchers are properly arranged (Article 280)

(*d*) Before signing the Treasurer's daily balance sheet, he should roughly verify the balance in the sole charge of the Treasurer, as shown in that sheet and satisfy himself on the following points —

(1) that no uncurrent coins are left in charge of the Treasurer;

(2) that no more small silver and copper coin is so left than is actually required for current use,

(3) that the whole balance in sole charge of the Treasurer never ...

... the Treasurer's balance sheet ... agreed with that of the Accountant before closing the treasury for the day and it is only when pressure of work renders this impossible that the comparison may be postponed till the following morning When this is necessitated the certificate over the Treasury Officer's signature at foot of the Treasurer's balance sheet should be altered in manuscript by cancelling the words "agreed with the Accountant's daily balance sheet and" before the form is signed by the Treasury Officer, which it must be before closing for the day An additional certificate will then be added and signed by the Treasury Officer on the following morning *viz*, 'agreed with the Accountant's daily balance sheet" For the 31st March and first few days of April it will be necessary for the Accountant to prepare a separate rough balance sheet on each of these days for comparison with that of the Treasurer as the completion of the Accountant's balance sheet for the 31st March has to await the receipt of the Sub treasury Accounts (see Article 285)

2 In the Accountant's balance sheet there is not one figure which the Treasury Officer has not ample means of verifying the opening entries agree with closing ones of the preceding day, the receipt and charge are taken from the cash book, the amounts shown as sub treasury balance can be ascertained in a few moments from the daily sheets of sub-treasuries and any change made since the previous day in the amount under remittance within the district must be supported by an entry in the sub treasury sheets, or in the Treasurer's cash book The balance in the district treasury is shown in the Treasurer's balance sheet, and in that part of it which is under joint locks no change can be made without the active intervention of the Treasury Officer himself

3 Under Note 2 to Article 299 the daily account of a branch of the Imperial Bank of India carrying on the business of a Government treasury may, with the concurrence of the Accountant General, be submitted to the Treasury Officer on the morning of the day following that to which it refers In such cases the signature and comparison of the Accountant's books may be made in the evening instead of in the morning of the day on which the bank's account is received provided that pressure of work renders it necessary so to postpone it

Cosing for the Month.

285. As it is absolutely necessary that the figures given in the different receipts, accounts and returns exchanged with other departments should exactly agree with those shown in the treasury account, the formal closing of the accounts of the several sub-treasuries for the month should be fixed for the latest date which will leave no risk of non-receipt of that day's returns at the headquarters treasury before the end of the month: any transactions of a later date must be excluded from the returns The transactions of every sub-treasury on all days, from the 1st to the fixed closing date, are incorporated in the account of the headquarters treasury on the day on which the daily sheet is received those of later days can only be brought on the accounts of the next month even though the daily sheet be received before. To this rule, however, there is the one exception of March, for which the headquarters accounts are kept open until receipt of daily sheet of every sub-treasury for 31st March, in order that all receipts and payments taking place at sub treasuries within the official year may, without exception, be brought into the accounts of the year

†286. In addition to the usual daily closing the month's totals of the registers should be carried into the cash account in case of receipts, and into the list of payments in case of payments; the cash account should be closed with an abstract in the subjoined form, the cash verified by actual counting and the cash balance report made out as directed in the Resource Manual issued by the Controller of the Currency

Form of closing abstract of the Cash Account

NOTE 1 —The Treasury Officer has no difficulty in applying an effective check upon the Cash Account when it is laid before him Its opening and closing balances are not deductions from Accounts, but are statements of fact certified by the District

if the credit in account be less, where is the receipt from another treasury for stamps supplied?

NOTE 2 —Any amount found surplus in treasury balances should be brought to account under the head XXXV—Miscellaneous—Miscellaneous Central Similar surpluses found in the Currency chests are credited to the minor head 'Value of unclaimed currency notes or Miscellaneous under XXVII—Currency', according as the excess represents notes or coin

Returns to the Accountant General.

†287. The Cash Account, the List of Payments, and the various schedules, which have already been prepared from day to day, and vouchers supporting them, should be despatched to the Accountant General on the first day of the following month (the first schedules of payments with vouchers should already have been despatched on the 10th of the month) With regard to the punctual transmission of the accounts the Government of India have requested local Governments to view with severe displeasure any avoidable delay on the part of any District Officer in the despatch of his list of monthly payments with schedules and vouchers, also the cash balance report and the cash account with schedules and papers complete

1 The returns due for despatch on a holiday may be sent one day (but not more than one day) late

2 Directions have already been given that the vouchers pertaining to each schedule should be numbered in a separate series and kept under lock and key in the order of payment till they are despatched before despatch of the list of payments and schedules, the Treasury Officer, should by inspection, satisfy himself that the required vouchers are all attached He will find it profitable at intervals during the month to take up a schedule, and see that all its vouchers are present, and in proper order As no payment can be made without a voucher, there can be no excuse for the absence of any unless it be that for a specie remittance

3 The bills for the pay and allowances of a gazetted officer, who is about to retire or to proceed on leave out of India, should be submitted to the Accountant General, for special audit, on the date of payment or as soon afterwards as his intention becomes known to the Treasury Officer

4 Special attention is invited to the rules in Chapter II of the Resource Manual issued by the Controller of the Currency, defining the duties of District Officers in regard to the verification and certification of the monthly cash balance and to the signing of the monthly cash account

288. In addition to these returns, *plus* and *minus* memoranda must be submitted with the monthly account showing the transactions on account of deposits (Article 355), of Local Funds (Article 525), of each

†See footnote to Article 278

kind of stamps (general, adhesive, bill, court fee, postage stamps), and of excise opium. The deductions from balance should

... submitted in such separate parts ... by the Accountants General Those relating to particular departments should be furnished, wherever this is possible, on the reverse of the receipt schedules concerned

NOTE 2 —No difference should ever exist between the closing balance of one month and the opening balance of the next, any addition to, or deduction from, the balance should be made by a special entry to be explained by a footnote

289 *Deleted*

Notices.

290. Notice should be posted up conspicuously in the office of the hour at which the treasury closes for receipts and payment of money, which should be at least an hour before the end of the day s work, in order to give time for closing and agreeing the accounts

NOTE —If any local law requires that the treasury or any day be kept open till a named hour, the accounts cannot, of course, be closed till after that time, but should then be closed and agreed in the usual manner before any one leaves office

291. Treasury Officers should themselves see that the notices which they are required to exhibit, under standing orders or other instructions received from time to time, such as those regarding the encashment of currency notes, the supply of small silver coin, nickel and copper, are exhibited conspicuously in places which the public enters freely and that no favouritism is shown in the conveniences which the treasury can offer

Treasury Inspection.

292 Each district treasury will be inspected by a gazetted officer of the Audit Department

293 A brief report of each inspection will be drawn up and sent to the District Officer concerned The report will be in two parts, one relating to matters governed by rules administered by the Controller of the Currency and the other dealing with other points The District Office will pass such orders as he considers necessary on the report He will send a copy of the orders on the first part to the Deputy Controller of the Currency and of the orders on the second part to the Accountant General concerned The Accountant General or the Deputy Controller of the Currency may refer to the Commissioner of the Division any matter brought to notice in the report which he considers should receive attention by the Commissioner or in respect of which he considers that the action taken by the District Officer is inadequate Points which cannot even then be settled and all important irregularities will be reported to the local Government The general results of the inspections and the final orders passed thereon so far as the second part of the reports is concerned will be summarised by the Accountant General for submission to the local Government, if the local Government so desires This summary may be included in the Accountant General s annual review on the working of treasuries if such a review is under local arrangements submitted to the local Government A similar summary of the results of inspections in regard to the first part of the reports will be submitted to the local Government annually by the Deputy Controller of the Currency if the local Governments require it

The local Government may issue orders—

(a) requiring the submission of a copy of the report, or of important extracts thereof to the Commissioner at the same time as the report is sent to the District Officer

(b) requiring the reply of the District Officer to be sent to the account office through the Commissioner

(c) requiring the submission through the Chief Revenue Authority of any communication from the account office to the local Government regarding these inspections

294 The responsibility for the proper management and working of the district treasuries rests entirely with the local Revenue Officers acting under the orders of the local Government and no portion of this responsibility should be imposed on the Accountant General The system of inspection of treasuries by officers of the Audit Department has been substituted for the inspections previously carried out by Commissioners or other Supervising Officers and is not intended to relieve the District Officers of their responsibility in the matter of management and inspection

Accounts.

97 The books and accounts to be kept will consist of—

The scroll cash book, being the primary record

A daily account of the receipts and payments, made up for despatch to the *Collector*

An account in the general ledger, in the name of the Government of *India*

A *pass book* to be daily *forwarded to and returned by the* Collector

298. In the scroll cash book will be entered all receipts and disbursements on account of Government The net amount only of documents paid, on which deductions have been made, will appear in this book, and except in the Madras Presidency, the total of each side will form the daily entries in the general ledger

Daily Returns.

299. In the daily account such payments and receipts will be classified as may be directed by the Accountant General, in order that their arrangement may fit in with the forms prescribed for accounts kept at the treasuries The daily account will be prepared every day and the Agent, after satisfying himself as to its accuracy, will docket and forward it to the Collector, with the register of daily receipts and payments and with all the appertaining vouchers at the close of the day Except in the Madras Presidency the net amounts of payments only are to be entered, that is, when a deduction is made from the amount of a bill, the daily account will show only the amount paid after deduction, and not the gross amount of the demand

NOTE 1—It is of importance that these documents be secured in a locked box when sent by the Agent to the Collector in order that there may be no possibility of any alteration or abstraction of any paper before they reach the hands of the Collector

NOTE 2—With the concurrence of the Accountant General the daily account may be submitted on the morning following the date to which they refer instead of at the close of the same day

300. Care should be taken that vouchers sent to the Collector are conspicuously marked by the Agent with the word *paid* Inattention to this rule might lead to documents being paid twice, in the event of their falling into unscrupulous hands

301. The register of daily receipts and payments has five columns for (1) the date, (2) the total receipts for the day (3) the total payments of the day (4) the initials of the Agent and (5) the initials of the Collector It will be written up and forwarded with the daily account to the Collector (*vide* Article 299), the entries being certified by the initials of the Agent in the 4th column The Collector will check receipts and disbursements columns of the daily account, agree their totals with the figures entered in the register and examine the vouchers, and after initialling in the 5th column of the register in token of his verification, will return the register to the Agent the same day or the following morning

There will be a daily clearance of cheques accepted and transactions will be included in the daily account submitted to the treasury (Article 299) If a cheque is dishonoured by the bank concerned on presentation the fact will be reported at once to the payer with a demand for payment in cash

Receipts of Public Officers

304 Cash receipts and deposits of the Departments named below will be received at the Bank in accordance with the special rules specified against each —

Forest	Articles 410—411
Public Works	Article 439
Railway	Articles 418—421
Military	Articles 452—456 and 470
Indian Posts and Telegraphs Department—	
Postal Section	Article 488
Telegraph Section	Articles 505—506

Forms will be supplied to the Bank by the Collector

Any monthly comparison of receipts between the Departmental and Treasury Officers will be certified by the Treasury Officer under Article 524

305. In the case of all other departments, fines, forfeitures and other miscellaneous receipts of public officers will be forwarded by them daily to the Bank with a chalán in duplicate, describing the several items and the heads under which they should appear in the accounts One copy of the chalán will, as directed in Article 302, be retained by the Bank and forwarded with the accounts of the day to the Collector, and the other returned receipted, to the public officer for record in his office

NOTE —The original chalán may be in the form of a book sent daily for signature

Deposit and Local Fund Receipts

306 The detailed account of local funds and registers of deposits are in the Collector s Magistrate s and Judge s offices the Bank only receiving the amounts tendered in accordance with Article 302 and crediting them under their proper designation

Issue of Supply Bills on treasuries which do not bank with a branch of the Bank

307 On the authority of the Collector the Bank will receive sums tendered for bills and grant acknowledgments for the same On presentation of these acknowledgments to the Collector he will issue the bills

NOTE —A supply bill is identical in form with an ordinary bill of exchange or draft and is governed by the laws generally applicable to such instruments

Issue of Remittance Transfer Receipts

308 (a) Remittance Transfer Receipts will be issued by the Bank in accordance with the rules in Articles 161, 167 175 358 366 372 and 373 In any case of doubt the Agent will take the Collector s orders

(b) An Agent has the same authority to cancel exchange, and issue duplicates of remittance transfer receipts which is exercised by a Treasury Officer and should follow the same rules (Articles 177 180 and 384 388)

Civil Charges

309 All charges for pay and allowances and contingent expenses of officers of the civil establishments—that is Judicial, Revenue Medical, Education Police, etc —will be presented to the Collector in the first instance for examination The Collector, if he approves and passes the charge will enface on the Bill an order to pay a specified amount which order will be recorded in a register of payment orders issued, and will be numbered, dated and signed The bill will then be returned to the person presenting it, and will be paid at the Bank in accordance with the Collector s order, the Bank being responsible only for strict adherence to

this order and for obtaining upon the bill a proper discharge from the payee This discharge must be in addition to the signature at foot of the bill

NOTE.—When payment is desired wholly or partly in Remittance Transfer Receipt or Bank Draft, a formal application should accompany the bill and the manner in which payment is desired should also be indicated in the drawer s receipt on the bill If the Collector is satisfied that the grant of Remittance Transfer Receipt or Bank Draft is permissible, he will specify clearly in the pay order the manner in which payment should be made

Miscellaneous

320 *Deleted*

321 The Bank will be kept open for the transaction of the treasury business on all recognised holidays if so required by the District Officer

Additional Rules for District Officers

Registers of Chaláns issued and Orders for Payment

322 The above rules state in what cases the Bank receives or pays money without the previous order of the District Officer and in what cases the previous order of the District Officer is necessary It is also prescribed that the District Officer must maintain two registers in which to note these orders viz a register of chaláns issued and a register of orders for payment The former of these may be worked by department the chaláns of land revenue being passed and registered by the Land Revenue Department of the District Officer s Office those of excise revenue by the Excise Department and so forth

Daily Posting of Accounts

323. When the daily account with the chaláns and vouchers is received from the ~~Agent~~, the account will first be examined against the chaláns and vouchers which support it Then the vouchers which have been already approved and registered by the District Officer will first be marked off in the register of chaláns issued and of orders for payment, that is, the date of discharge will be noted against the entries of them in those registers Then each item of receipt or payment will be posted from the daily account, with its chaláns and vouchers, into the cash book, either direct or through some subordinate register, in the same way as is prescribed to be done by the account department of treasuries which do not bank with the ~~Imperial~~ Bank ~~of India~~ The net difference between the total receipts and the total payments as shown in the daily account will then be posted in a subsidiary register called the Register of ~~Imperial~~ Bank Deposits The register is provided with three columns to show (1) the date and (2) the net payments, or (3) the net receipts of the day, and there will be only one entry in column (2) or (3) as the case may be, against each date When the total receipts exceed the total payments the difference will be posted in column (2), and when the total payments exceed the total receipts, the difference will be posted in column (3) At the close of the month the difference between the totals of the two money columns of the Register of ~~Imperial~~ Bank Deposits should be carried into the Cash Account if the total of the column for receipts exceeds the total of the column for payments, or into the List of Payments if the total of the column for payments exceeds the total of the column for receipts

NOTE.—In this process the vouchers must be numbered and arranged according to the register in which they are entered as the number of the payment order cannot serve also as the number of the voucher in the actual accounts

Advices and Certificates

324 The advices of receipts or payments which, according to any rule have to be sent to public officers or departments and consolidated receipts or certificates of receipts or payments required by any rule to be given to any public officer or department should be prepared in the treasury, and not in the Bank, as the point to be advised or certified is not that the money has been received or paid at the Bank, but that the receipt or payment has entered the treasury accounts

Treasury Returns

325. All treasury returns, with the exception of those the Bank is instructed to furnish in this chapter or under express orders of the Accountant General should be prepared in the treasury and not in the Bank

Chapter 18.—Pension Payments.

Pension Payment Orders.

326. Payments of pensions are made only upon Pension Payment Orders issued by the Accountant General, the Treasury Officer's halves of which will be pasted in serial order in separate files, one for each class of pensions, such as Service, Political, . Colonial Governments, Indian States are in the Civil Service Regulations, must be kept in the personal custody of the Treasury Officer

NOTE 1—When a male pensioner is specially exempted by the local Government from personal appearance, the fact should be noted on his Pension Payment Order, and in all cases of non appearance of a male pensioner (Civil Service Regulations, 945), a note will be made on the Pension Payment Order of the form in which proof was given, within each year, of the pensioner's continued existence e g, 'Pensioner visited the Collector on ————————," and the initials of the Treasury Officer or of the officer verifying the fact, should be put against the note

NOTE 2—After the commuted value of a portion of a pension is paid from a treasury both halves of the Pension Payment Order must be returned without delay to the Audit office which will issue a fresh Pension Payment Order authorizing payment of the reduced pension in future

Registers of Pension Payment Orders.

327. The Treasury Officer will keep a register in Form 40 of the Pension Payment Orders issued on his treasury which register will serve as an index to the files of orders referred to in Article 326 After seeing that a new order is correctly entered in this register, he will put his initials in the column of "Name of pensioner", and rule a red ink line across the page below the entry The column of remarks will be blank as long as the order of payment is in force; but when *both* portions of the order are returned on account of death of pensioner, or application for transfer, which causes strike it permanently off the treasury list, the date and cause of return should be entered in black ink under the Treasury Officer's initials

Treasury Officers are authorised to renew Pension Payment Orders without reference to the Audit office, in cases in which the pensioner's half is lost, worn or torn, or the entries on the reverse of either the pensioner's or Collector's half are completely filled up The renewed Pension Payment Orders should bear the old number, date and facsimile of signature and the old ones should be retained by the Treasury Officer for three years and then destroyed A note of the issue of the new Pension

Payment Orders should also be made in the 'Remarks' column of the register

NOTE —The Pension Payment Orders will ordinarily be filed in one series for the whole district, but the Accountant General may allow filing by sub treasury series when this course is found more convenient

Manner of Payment.

328. On appearance of a pensioner claiming payment of pension, his personal marks should be checked by the disbursing officer and the signature to the receipt compared with the facsimile of the signature pasted on the original payment order If a pensioner cannot sign his name his thumb impression on the receipt should be compared with the original impression already taken on the Collector's half of the Pension Payment Order A pensioner drawing pension for the first time should also be required to produce the copy of the order by which the sanction to his pension was communicated to him

NOTE —In the case of illiterate pensioners and pardanashin ladies quittances by seal mark attested by some known and respectable person may be accepted in lieu of thumb impressions

329. Special risk of fraud exists in the payment of pensions of women who do not appear in public special care should therefore be taken in the identification in these cases The descriptive rolls, when originally prepared, and the periodical certificates of the continued existence of such women, should be attested by two or more persons of respectability in the town, village, or pargana

330. Pensioner's receipts may be taken either on separate bills (which bills may be attached to a schedule for each kind of pension), or, if few in number, may support separate entries in the cash book and list of payments in a form similar to Form 40 A but containing the necessary declarations), or on a single bill (Form 41) for all on account of each class of pensions On the latter plan the receipt of each pensioner appearing personally will be taken in the column provided for that purpose, while separate receipts will be appended in support of the charges on account of those paid at sub treasuries (Civil Service Regulations, 952), or (in authorized absence) on life certificates, note being made in the latter case, on the separate receipts, of the name of the person really receiving the money On all such documents should be entered the number of the entry in the bill

3 Where the determination of a pension cannot be fixed for a precise date, the pensioner s receipt must be accompanied by a certificate in Form 41 A

4 A declaration in Form 41 B should be obtained half yearly from female pensioners whose pension is terminable by their marriage, and should be attached to the bills for pension paid for December and June

5 (a) Separate receipts with their certified copies (unstamped) are necessary for Hong Kong, Mauritius Ceylon and Singapore pensioners they must not be included in a consolidated receipt

(b) The rate of exchange for the conversion into Indian currency of payments stated in Hong Kong dollars is fixed as follows —

1 Each year is divided into two half yearly periods viz from the 16th April to the 15th October and from the 16th October to the 15th April the rate of conversion for each of these half yearly periods being fixed at the average of the daily demand rate of exchange on Hong Kong during the six monthly period immediately preceding (viz , April to September and October to March) The average demand rate of exchange will be calculated to the nearest quarter rupee for $100 lesser and greater sums being converted upon the basis of the rate fixed for $100 The rate of exchange as fixed will be applied to all payments made in that half year irrespective of the period to which the payments may relate, but in the case of pensions payable in India on behalf of the Hong Kong Government the average rate referred to above will be subject to a minimum of Rs 112 8 0 for $100 The rate for each half yearly period will be communicated by the Controller of the Currency direct to the Accounts and Audit Officers before the commencement of the period

2. The pensions of Indians who joined service in the Police Department of the colony subsequently to the 1st January 1900 are payable at the above average demand rate of exchange, while the pensions of men who entered th service prior to the 23rd June 1895 are to be paid at the fixed rate of 100 dollars—R227, and the pensions of those who joined the Department between 23rd June 1895 and 1st January 1900 are payable at the rate of 100 dollars=R200 In these special cases, however, the rates are noted on the pension certificates forwarded by the Colonial Government and payment should be made at these rates

3 These special rates apply only to pensions drawn in respect of periods spent in India, and the pensions for the periods spent in Hong Kong are payable at the ordinary half yearly rate When a pensioner volunteers the information that he has been residing at Hong Kong during a part or the entire period, or if this fact comes otherwise to the knowledge of the disbursing officer in the course of his official work, he should, before making the payment, institute inquiries and ascertain the rate of pension payable

(c) As regards the rate of exchange for the payment in India in rupees of pensions fixed in dollars of pensioners of the Straits Settlements, the Colonial Government will either indicate the exact amount to be paid in rupees, or mention the rate at which the amount stated in dollars should be paid

6 For payment of pensions due to deceased pensioners—see Article 39

7 The local Government should instruct the Police or some other suitable subordinate agency to report promptly to the District Officer the death of any civil pensioner, and District Officers should enquire immediately into the cause of the non appearance of any pensioner to draw his pension

8 A certificate of non employment is printed in English and in vernacular in Form 41 and should be signed by all pensioners except ex inferior servants, and ex policemen who are in receipt of a pension of not more than R10 a month It a pensioner who is required to sign the certificate is re employed either permanently or temporarily in a Government establishment, or in an establishment paid from a Local Fund, during the period for which pension is claimed, he should furnish the necessary particulars therein, and the disbursing officer should ascertain and report whether the rules regarding such re employment have been duly observed

9 British Army Reservists referred to in Article 484, residing at stations where the treasuries from which they are paid are located, are permitted to draw their reserve pay through messengers, the certificate on the reverse of the reservist's pay bill (India Army Form A 320) being accepted as equivalent to a life certificate In such cases Government accepts no responsibility whatever as to the identity of the messengers As regards reservists employed at stations other than those at which the treasuries from which they are paid are situated, payment will be made by money order, the commission on such orders being defrayed by the Reservists them selves

331. Every payment is to be entered (Civil Service Regulations, 943, Rule 2) on the reverse of *both* portions of the order and attested by the s[illegible] nd at a sub-treasu[illegible] ound only a copy [illegible] rict Officer's order [illegible] the counter-part and on his copy, while the Treasury Officer at the headquarters treasury, will, from the receipt, make the necessary note on his original of the order

NOTE —If in any province the local Government have sanctioned a different procedure for the payment of Provincial pensions, the same procedure may be applied to the payment of Central pensions

331-A (*a*) Pensions not drawn for three years in the case of those adjustable under 45—Superannuation Allowances and Pensions" and for six years in the case of those adjustable under "44—Territorial and Political Pensions" cease to be payable at the treasury without the prior sanction of the Accountant General Arrears of pension due in the case of a deceased pensioner also cease to be payable by the Treasury Officer, if they are not claimed within one year of the pensioner's death The Treasury Officer should sort out such cases by examining the files of Civil Pension payment orders every month and return his halves of the Pension Payment Orders to the Accountant General along with the statement mentioned in clause (*b*) below

(*b*) The Treasury Officer should submit to the Accountant General, every six months a statement of cases of failure to draw pensions The statement should be prepared in two parts one part showing the names of all pensioners who have not drawn their pensions for three years or for six years, according as the pensions are adjustable under "45—Superannuation Allowances and Pensions" or under "44—Territorial and Political Pensions" and the other part showing the names of pensioners other than those included in the former part who have not drawn their pensions for more than one year The reason for the non drawal if known, should be stated against each name

Payment of Pensions by Postal Money Order.

331-B. The payment of pensions not exceeding Rs 50 a month may be made by postal money order, at the option of the pensioner When this mode of payment is adopted, the following rules shall be observed —

1 A pensioner who elects to have his pension paid by money order should present in person to the Treasury Officer a declaration to that effect with his copy of the Pension Payment Order The Treasury Officer should then identify the pensioner as laid down in Article 328 After this has been done, he should paste the declaration and both halves of the Pension Payment Order in a separate file headed "pensions payable by money order" On a date not later than the 10th of each month, a Treasury office clerk deputed for the purpose should make out a money order form for each pension recorded in the file mentioned above, less money order commission, and make corresponding payment entries in the table at the back of the Pension Payment Orders The Treasury Officer should sign the money order form and initial the entries on the back of the Pension Payment Orders after carefully comparing the three documents

2 In order to minimise the risk of fraud, the Treasury Officer should compare the signature on the money order receipt every month with the pensioner's signature on the pension payment order The Treasury Officer should also satisfy himself once every six months in such manner as he thinks desirable that the pensioner is actually alive In token ... he should endorse on the schedules of

For the existing certificate prescribed in this clause and the note under it, *substitute* the following —

"Certified that I have satisfied myself that all payments noted in the

in any capacity either under Government or under a Local Fund during the past six months and (2) that I have satisfied myself that all payments noted in the schedule have actually been remitted by money order"

NOTE.—The above certificate consists of two parts The first part should be furnished six monthly on the schedules for January and July of each year and the second part on the schedule for each month

5 The amount to be remitted should not be paid to the Post Office in cash but by transfer to the credit of the Post Office The money order forms should be sent to the Post Office with a certificate by the Treasury Officer that the amounts of the money orders and the fees thereon have been credited to the Post Office in the Treasury Accounts by transfer

6 The Treasury Officer will watch for the money order receipts for all remittances shown in the special file and will also compare the signatures in these receipts with the specimen signatures on the Collector's halves of the Pension Payment Orders

7 In the next month's schedule, the Treasury Officer will furnish the following certificate —

Certified that I have satisfied myself that all pensions included in the schedule for the previous month have been paid to the proper persons and that I have obtained all money order receipts in support of these payments and filed them in my office"

NOTE —A provincial Government may adopt the procedure laid down in the above rules if it should so desire

1 The procedure authorised in this Article may be applied *mutatis mutandis* to pensions the payment of which at a sub treasury has been authorised under Article 952 of the Civil Service Regulations

Periodical Identification of Pensioners

332. (1) On the first appearance of a pensioner on or after April 1st of each year, the disbursing officer should, except in the case of pensioners mentioned in clause (2) below take an impression of the thumb and all the fingers of the pensioner's left hand on the pension bill The pensioner should then be identified from the particulars given in the disbursing officer's half of the Pension Payment Order or in the Audit Register as the case may be Identification should also be made by an examination of the impressions given on the bill with those pasted on the Pension Payment Order or in the Audit Register if the pensioner cannot be identified by other means with absolute certainty

NOTE —The above rule in regard to the taking of the finger impressions and their examination for purposes of identification is, however, subject to any modification that may be made by the local Government In the Bombay Presidency, for example, pensioners whose monthly pensions exceed R50 have been exempted from the operation of the rule

(2) Except Indian Princes, European ladies, persons who have been gazetted officers, persons who hold Government titles and persons who have been specially exempted by Government (these exceptions being made on the ground that there can be no difficulty in future identification), all pensioners shall be liable to the operation of these rules

(3) Pardah ladies and illiterate pensioners must give a thumb impression on their bills in the presence of the person who grants the life certificate or in the case of illiterate pensioners who personally attend the paying office, before the disbursing officer

(4) On the renewal of a Pension Payment Order the original impression must be cut off from the old, and attached to the new order

333. *Deleted*

Gratuities.

334. (a) Gratuities will be paid by Treasury Officers on authority received from the Accountant General, to whom, under Article 938 (a) Civil Service Regulations, the sanction is communicated by the sanctioning authority or by another Audit Officer The payee should also be required to produce the copy of the order by which the sanction to the gratuity was communicated to him, and the Treasury Officer should record the fact of payment having been made on the copy of the order so produced

(b) Gratuities are payable only to and upon the receipt of the persons legally entitled to receive them and not to or upon the receipt of the Head of the office or department in which the gratuitants formerly served

Political Pensions.

335. With the special sanction of the Accountant General in each case the following procedure may be employed in the case of groups of political pensioners who are paid by, and are in charge of, a Political Officer —

1 In lieu of a Pension Payment Order for each pensioner, an order for the payment of the whole group will be issued in Form 40, each entry having a number in this form, $\frac{330}{1}$ $\frac{330}{2}$, and so on, where 330 is the register number of the whole document

2 The officer in charge of the pensioners will draw up a monthly bill in the following form in which *all* the names will be entered in their proper order, even though nothing is drawn for the pensioner entered —

(1) No of pensioner (2) Name (3) Monthly pension (4) Amount of arrears drawn, (a) months, (b) amount (5) Amount drawn for current month (6) Income tax deductions (7) Net amount payable to each pensioner (8) Remarks, this space will be used for acquittance in the Political Officer's own copy of the bill

3 The following certificate will be appended to the bill —

"Certified that all amounts drawn in last month's bill have been duly disbursed, and receipts taken, with due precautions as to the identification of the payees, with the exception of the following amounts, now refunded:—

No.	Name	Amount refunded	Remarks

4 The total to be paid will be made up as follows —

			Rs a. p.
Arrears, as per column 4 b			0 0 0
Current month as per column 5			0 0 0
		TOTAL	0 0 0
Less Income tax	Rs		
Less undisbursed amounts now refunded	Rs		
Net amount to be paid			

Any refunded amount can be drawn at any time upon quotation of the month's bill in which the amount was refunded

5 If any alterations have been made in the list of pensioners during the past month the political officer will append a statement showing—

No of pensioner	Name.	Nature of alteration or lapse	Reason or quotation of order.

6 No new name can be brought on the list, and no new pension drawn, until the Accountant General has registered and given a number to the new name, and communicated it to the Political Officer in charge

7 If there have been no alterations the Political Officer will append to his bill a statement that 'there have been no alterations in the list of pensioners under my charge in the past month"

Military Pensions.

336. Instructions regarding the payment of Military pensioners will be found in Chapter 27, Articles 483 and 484

Chapter 19.—Deposits.

To be read in conjunction with Chapter 12

Revenue Deposits

337 Each item of deposit received must at once be entered in a register in Form 43 and numbered there will be a separate series of numbers for each register beginning anew each year The Treasury Officer will carefully check the amount and particulars of each entry (*vide* Article 197) and then set his initials in the proper column against each A daily total only will be carried from each register to the cash book

NOTE.—The entry in the column Nature of deposit should be sufficient to explain why the amount is deposited

338 Every item must be recorded in the name of the person *from* whom not that of the Government official *through* whom it is received, it must be passed through the accounts even though repaid on the day of receipt and be kept distinct however small it be till finally disposed of never being consolidated with others

339 The rules regarding repayments and the form of voucher required are contained in Chapter 12

340 When a deposit is adjusted by transfer to some head of account the head of account to which it is transferred and the item in which it is included in the treasury account should be noted both in the register of receipts and in the register of repayments and it should be separately credited in the cash book or register The voucher submitted with the list of repayment will state these facts under the signature of the Treasury Officer

Personal Deposits

341 Receipts and payments on Personal Deposit accounts [*vide* Article 195 (*b*) (ii)] should be recorded in personal ledgers in Form 44

342 A sufficient number of sheets of Form 44 should be bound up into a volume and successive sets of pages assigned to the several accounts it is not necessary to transfer the accounts to a new volume

with a new year, but if there be no page available when it is necessary to open a new account or carry forward an old one, all unclosed accounts should be simultaneously carried forward to a new volume

343. Every personal account will thus have its own ledger page, the form of which provides, in addition to columns for date of transaction and number of cheque, one column for receipts, one for payments and a third to show the balance after each transaction, with space for the Treasury Officer's initials Herein the receipts are entered in regular order without being numbered, similarly the disbursements, made not from any one particular item, but from the aggregate balance in hand, are entered as they are made without further remark

NOTE —If there be a large number of transactions on the same day, *e g* in the case of Civil Court Deposits in Bengal, a balance need not be struck after each transaction but the Treasury Officer, if there be any possibility of an overdrawal should by totalling the items of receipts and refunds and striking the balance whenever necessary satisfy himself that the balance is not overdrawn The Treasury Officer, shall invariably, however strike a total at the end of each day s transactions

344. The Treasury Officer s duty is simply to see that withdrawals are made only on cheques signed by the responsible administrator which are current for three months from the date of issue, and that the withdrawals never exceed the balance in hand See Article 217

345. From these ledgers the daily totals of receipt and payment will be carried into the Register of Personal Deposits (Form 45), from which again the aggregate daily total only will be carried to the cash book

Sub-Treasuries.

346 Deposits made at a sub treasury must be brought, item by item, through the daily sheet upon the district registers and must be numbered in the general series It will however be sufficient to enter merely the daily totals in the district registers in the case of transactions relating to personal deposits, such as, Wards, Estates, Dispensaries, Municipalities, etc , which take place at sub-treasuries, unless the Accountant General for special reasons orders otherwise in any case When the officer in charge has occasion to place in deposit an item which, according to rule, should be so dealt with, he may also be empowered to repay it on his own authority without formal authority from the district treasury In this case he would himself keep up a register of such deposits in addition to that at the head treasury

347. In making repayment he would clearly indicate the sub-treasury account in which the credit originally appeared, so that it will be easy to trace the item and to charge off payment correctly in the district account

348. If any class of deposits is repayable at the sub treasury, it must not be payable at the head treasury also

349. The adjustment of cash orders issued on sub treasuries may most conveniently be watched by opening a personal ledger for each sub treasury. The orders issued would bear a serial number, and the amount would be credited in personal ledger account (Form 46), but need not be entered in Form 41. When paid at the sub treasury, it would be charged in the sub treasury cash book and daily sheet as a miscellaneous payment but in the district treasury would be posted in the personal ledger account as a repayment of deposit.

1. With reference to the annual certificate prescribed by Article 205 the Treasury Officer must certify that the credit balance of each sub treasury personal ledger account agrees with the sum of orders ascertained to be outstanding.

2. And a similar certificate must be recorded monthly on Form 48 or on the *plus* and *minus* memorandum (*vide* Articles 353 and 355) to the effect that the balance of orders on sub treasuries in Form 48 correspond with the totals of the outstanding as shown in detail in Form 46.

Monthly Returns.

350. An extract register of Revenue Deposits received will be submitted with the Cash Account in Form 28, prescribed in Article 204, only the first five columns will be filled up by the Treasury Officer, and they should be written up daily from the register of receipts. It is of importance that each deposit should be exactly confined to its own cage as the Accountant General has to detail repayments against it.

351. In some cases where many deposits are received for very short periods, permission has been given to detail in the returns submitted to the Accountant General only those not repaid in the month of receipt; the permission should not be extended without clear proof of its necessity. In this case the returns for submission could not be written up till after the close of the month, and there would be breaks in the series of numbers representing the deposits received during the month which had been wholly repaid before its close. At foot of each extract register both of receipt and repayment, would be entered a lump sum for "Deposits received and repaid during the month," in order that the extracts might agree with the accounts.

352. An extract register of repayments during the entire month, with vouchers appended is submitted with the list of payments; it is in Form 47 and should be written up daily. Although no extract register accompanies the first schedule of payments entry should be made in it of the total payment on each head made during the first ten days of the month; the entry in the second schedule will be of the total payments made from the 11th to 31st.

353. For Personal Deposits, however, a special form of monthly return (Form 48) is provided, as in it the totals only of receipts and repayments on each personal ledger have to be entered the totals of the two columns, Receipts of the month and Payments of the month, alone, will be traceable in the cash account and list of payments The monthly totals brought out on this form should be the same as those brought out by summation of the daily total columns of Form 45.

354. The charges exhibited in Form 48 will be supported by the original paid cheques which should not be given up after payment

Plus and *Minus* Memorandum

355. Together with the monthly deposit returns must be submitted a *plus* and *minus* memorandum showing the opening balance, receipt, repayment, and closing balance, under each head of deposits, including Personal Deposits As this balance should always equal the aggregate of repayable deposit balances upon the deposit registers, it has to be reduced, in the April return by the amount reported for lapse under Article 206

Chapter 20.—Bills.

whether this be contained in an article of Chapter 10 or in a rule laid down in the Resource Manual or a letter of the Deputy Controller of the Currency; the remarks column will be left blank for note of issue of duplicates of cancellation, and the like

359. Supply bills and transfer receipts drawn on the same district will be recorded in the same district issue register, and in the same series of district numbers

NOTE—At treasuries banking with branch banks, there will be a separate series of numbers for remittance transfer receipts and supply bills, the former being issued by the bank and the latter by the District Officer

360. Bills should be prepared and signed from time to time as they are applied for, immediately on the receipt of cash, the business of signing them should not be postponed till the close of office, and on no account may the office be closed till all bills applied for have been issued Each must be signed legibly with the signature of the drawer (who should take pains to maintain a uniform signature), and should then be torn by him from the counterfoil

NOTE—The counterfoils of bills issued should be periodically bound up they need not be preserved for more than three complete account years

361. At the time of signature, the register of bills issued, together with the application for the bill, the advice list (Article 363) and the *book of forms, will be laid together before the Treasury Officer, the* advice list must be signed before the close of office, but he will initial each entry therein, and in the register and the counterfoil, at the same time as he signs the bill after he has satisfied himself that—

(a) the several documents agree,

(b) the authority for issue is sufficient,

(c) the date and place of issue and the name of the payee are legibly and distinctly entered in the body of the bill,

NOTE—In the case of remittance transfer receipts *in favour* of a public officer, the purpose for which the remittance is made must be plainly stated in the body of the bill in order that the document may be complete in itself and independent of a covering letter, but the drawer s omission to give this information will not justify the drawee in refusing payment

(d) in addition to the amount being entered in figures, the amount of whole rupees is entered a second time in words and the annas and pies in words or figures, that the words are written continuously without lifting the pen and that when the amount consists of rupees only and does not contain annas and pies, the words end with the word "only",

(e) a sum a little in excess of that for which the bill is granted is entered in words across the bill at right angles to the type;

NOTE 1— Under thirty rupees' will mean that the bill is for a sum not less than R20 but less than R30 and similarly, under eight hundred rupees will mean that it is for less than R800, but not less than R700

NOTE 2.—The cross entry is not necessary if the amount in words is typed perforated by a special cheque writing machine

Officers are authorised to draw remittance transfer receipts on the military treasure chests at Mhow, Neemuch, etc The amounts of such receipts are credited to the Military Account circle concerned, and they should accordingly be entered at first in a separate register in Form 49, in which the issues of local bills are entered From this register a list in Form 51 should be posted daily, and its daily total entered, without any details, in the schedule of military receipts of the Account circle concerned under the column, 'Remittance Transfer Receipts issued on military treasure chests"

advice, should be authenticated by the drawer's initials, in order to prevent hesitation on the part of the drawee If the drawer should enter the amount so carelessly as to enable a stranger to alter it, and fraudulently to obtain payment of a larger amount, the *drawer*, and not the drawee, must bear the loss But the drawee must remember and apply the numerous defensive checks provided for him

366. Advices of bills drawn on any of the local head offices (at Calcutta, Madras and Bombay) or branches of the Imperial Bank of India should be sent direct to the Secretary and Treasurer of the head office or the Bank Agent concerned, as the case may be

Accounts of Bills Issued.

367. The district issue registers will be, with the check margins of the bills themselves, the only record of detailed transactions preserved in the office but at the time of issue each must be entered in a *general list* of bills issued to be submitted to the Accountant General with the monthly cash account

368 There will be four general issue lists, namely —

Supply Bills, local (*i e* issued on treasuries in the same Audit circle)

Supply Bills, foreign (*i e*, issued on treasuries in other Audit circles)

Transfer Receipts, local

Transfer Receipts foreign

For local bills Form 51 is prescribed, for foreign bills, Form 52

369 The general number of each bill must be given, without fail, in these lists, the special or district number is not required Each of the four will be totalled daily and its total carried separately into the cash book

370. At the end of the month these lists will be submitted in original to the Accountant General with the cash account, wherein the totals only will be shown of the receipts of the month under supply bills and remittance transfer receipts local and foreign, respectively No office copy of these lists need be kept by the Treasury Officer

Cross checks

371. It will be useful to note the cross checks which a Treasury Officer can each evening apply to the several documents connected with bills issued The several advice lists and the district issue registers check one another directly, the total of each general list must agree with the total of the advice lists for that class and this agreement should be at times tested by the Treasury Officer himself, the total of each general list, too, should, day by day, be compared with the credit in the cash book; and lastly, the issue of forms should be checked by the number of entries in each pair of general lists

ingly an Indian officer in charge of a treasury should *sign* his name in English or have it written in English characters below the vernacular signature

373 When any change of Treasury Officer occurs, a specimen of the signature of the new-comer should be forwarded by the out going officer to all treasuries usually drawn on The following form will be convenient —

The undersigned begs to notify to ———— that he has on this day been relieved of the executive charge of the treasury at ———— by ————, a specimen of whose signature is annexed

———————

Relieved Officer

——————— ———————

Relieving Officer

The *19* .

1 If it should be necessary for a Treasury Officer to issue a Remittance Transfer Receipt or a Supply Bill on a treasury not usually drawn upon to which a specimen of his signature has not been sent under the rule in Article 373 then at the time of issue of the Remittance Transfer Receipt or the Supply Bill he should also forward a specimen of his signature under a special forwarding letter, which should be posted in a separate cover and not in the cover containing the Advice List

2 In the case of an Indian officer who signs in vernacular his name should also be written in English characters in this notice as well as after his signature in bills (Article 372)

3 When an officer who was formerly in charge of a treasury resumes charge of it after a lapse of time his signature need not again be circulated among Treasury Officers

Check on Payment of Bills.

374 The advice lists received from the issuing treasuries must be opened in the presence of the Treasury Officer, and each dated and initialled by him after he has satisfied himself of its genuineness by examining the signature of the drawer and, if necessary, the post mark They should then be sorted and arranged according to the treasuries from which they are received and pasted chronologically in guard files

in such a way that advices received from each treasury may be kept together These files should be kept under lock and key

Note —It may be as well to remind Treasury Officers of the security (against the fraud of altering after signature the amount shown in the advice) which is afforded by comparison of the total amount reported in words in the heading with the real total of the figured amounts of an advice Any alteration of any entry, whether of names or figures, in an advice requires the drawer's initial (Article 365), so that it is scarcely possible that any fraud should be attempted by altering the advice *before* he has signed it, since at the time of signing he would notice any uncertified correction

375. The advice lists, arranged in the manner prescribed in the preceding articles, will facilitate the examination and identification of bills presented for payment The entries made in the advice lists should be a sufficient obstacle to the encashment of bills forged or fraudulently altered, and their sequence effectually bars the use a second time of a district number, and suggests suspicion even of the advice list where a high number, general or special, follows a low one The column for remarks provides space for necessary notes of calls for advices, of references touching irregularities, of cancellation or of issue of certificates of non payment, or of advices of seconds or thirds, and the Treasury Officer should be careful to see that these notes are punctually made

Examination of Bills Presented.

376. On presentation of a bill for payment, the Treasury Officer must compare it with the advice, and should satisfy himself carefully that it is in order, and that it is receipted on the back by a person able to give a legal quittance It should be borne in mind that in the case of a remittance transfer receipt the liability of Government to the payee named therein can only be discharged by payment, of the amount due thereunder to the said payee or his *lawful* agent or to a recognised bank in whose favour it is endorsed for the purpose In cases therefore where payment is not made on an endorsement in favour of a recognised bank the Treasury Officer should not merely satisfy himself of the genuineness of the payee's signature to the receipt on the back of a bill If the payee himself is not in attendance, the Treasury Officer must assure himself that the presenter of the remittance transfer receipt is the agent or messenger of the payee duly authorised to receive payment If, then, the presenter is unknown to the Treasury officials or, if known, should there be reasonable grounds for questioning his being in lawful possession of the remittance transfer receipt, the Treasury Officer should demand a writing from the payee, authorizing the presenter to receive payment on his, the payee's behalf Similarly in cases where payment is made on an endorsement to a recognised bank the Treasury

Officer must assure himself that the presenter of the remittance transfer receipt is the authorised agent or messenger of the bank

NOTE.—Remittance transfer receipts are not payable at sub treasuries save as expressly provided by notes in the "List of Treasuries and Sub treasuries in India" or by Rule 2 under Article 164 But if the money payable on a remittance transfer receipt is required at a sub treasury, there is no objection to the issue of a cash order to the payee for presentation at the sub treasury In such a case the payee should receipt the remittance transfer receipt as "Received payment by a cash order on ———— Sub treasury" and the Treasury Officer at the district treasury should finally deal with the remittance transfer receipt, and should take the same precautions regarding the *delivery of the cash order as are prescribed in the case of payment in* cash. See also rule 2 under Article 9 and the Note under Article 168

377. The points of orders are, that the bill has been advised; that it corresponds in all particulars with the advice, that it bears the genuine signature of the drawer, (~~that it bears the signature purporting to be that of the Treasurer, unless issued by local head office or a branch of the Imperial Bank of India~~) that it has not been tampered with; and, of course that it is not a cancelled or a lapsed bill or one of which a duplicate has been paid Yet a bill may be paid—

Without advice, if there is no reason whatsoever to doubt its genuineness, and if sufficient security is offered In the case of well known and reliable holders, this security may be dispensed with The Treasury Officer should in all such cases apply for the necessary advice without delay

Even though differing from the advice, at the discretion and risk of the drawee, provided there is no suspicion of fraudulent alteration, nor any possible doubt of the genuineness of the bill But great caution should be exercised before paying on a bill an amount larger than that named in the advice

~~NOTE—If the remittance transfer receipt bears no signature purporting to be that of the Accountant the fact should be immediately brought to the notice of the Treasury Officer who issued the bill, in order that he may ascertain whether the amount was correctly brought to book~~

Doubtful Bills.

378. In case of erasure, alteration, or other serious cause for suspicion, the drawee should, before payment, refer to the drawer, the post office or the Accountant General as the case may require Any material alteration of a bill without the consent of the parties, after it has been drawn, or endorsed, affecting the date, sum, or time or place of payment, will invalidate it, but the mere correction of a mistake, as by inserting the words "or order" in the endorsement of a supply bill will have no such effect *A merely technical defect*, such as the omission by the drawer to note the purpose for which a remittance transfer

receipt is required, will not justify the drawee's refusal to pay. Remittance transfer receipts should not ordinarily bear any other endorsement than that of the payee, and Government officers are justified in declining to cash such receipts bearing any other endorsement whenever it may appear desirable to them to do so, but payment should be made, if so desired, on endorsement of the remittance transfer receipt in favour of a recognised bank.

NOTE.—The order conveying the last instructions goes on "There is no objection to the bank of —— paying on its own responsibility, and for the convenience of its constituents, transfer receipts bearing endorsements in addition to that of the payee. In all such cases, the bank must itself endorse the transfer receipts" (The bank had pointed out that the special endorsement of the payee was as full an acquittance to Government as a simple "Contents received"—in consequence, no doubt, of the stipulation on the face of the bill that it is NOT TRANSFERABLE)

Form of Receipt.

379. For the sufficiency of the receipt, it is necessary to see that it is not for a part only of the bill, and that it is given by the legal holder. On no account may a bill be paid by instalments; receipt for the full amount must be given on the reverse, and the full amount must be paid

(a) If the legal holder be dead, payment should be made only to his legal representative, a bill for less than Rs 100 may, however, be paid without a certificate of administration.

(b) If the receipt be signed by an agent or attorney, note of the existence, and of the record in the treasury, of the power of attorney, should be made on the bill

(c) If more than one person be named in a bill, all must join in order to give a valid endorsement or receipt

(d) A bill payable to A B cannot be cashed on the receipt of his partner C D without production of a formal power of attorney, a bill payable to A B & Co can be paid on the receipt, as A B & Co, of any member of the firm.

(e) Bills payable to an incorporated company or any other corporate body may be paid on the receipt of the official authorized, generally or specially, by its regulations or by power of attorney to receive moneys payable to such company or body.

In the case of bills payable to an unincorporated body, payment may be made to a person holding authority to receive moneys payable to such body, but the Treasury Officer should first satisfy himself that the authority has been duly conferred

(f) If the amount of the bill be payable by transfer to some head of account, the head of account to which it is transferred,

and the item in which it is included in the treasury accounts should be noted in the advice list, and separate credit should be given in the cash book or register concerned The voucher submitted with the list of payments will contain a certificate to this effect over the signature of the Treasury Officer If the bill be endorsed to the Collector or other public officer, he should endorse it 'Credit to such a head of account over his signature

NOTE.—A public officer when he sends a transfer receipt to a treasury not for cash payment but for credit of its amount in the treasury accounts must before he signs the receipt add to the words Received payment the further words by transfer credit' Omission to do this facilitates fraudulent appropriation of the money

1. On receipt of advice of cancellation of any bill or on its lapse whether under Article 387 or under Article 184 its amount should be entered in the amount paid column

2 The destruction of the advice lists of bills drawn may be sanctioned by the Accountant General after he has completed and adjusted his list of lapsed bills for the period to which the advice belongs

Accounts of Bills Paid

381 A volume should be prepared at the beginning of the year (Forms 53 and 54) in which the bills will be entered as they are paid, the daily total being each day carried to the cash book These registers of bills paid will be four in number (like those of bills issued), namely for supply bills and for transfer receipts each a pair, one of which is for local (Form 53) and one for foreign bills (Form 54)

382 Four schedules of bills paid (in the same form as the registers should be punctually written up before office closes in order to be submitted to the Accountant General on due dates and the bills themselves should be attached to their schedules

Issue of Remittance Transfer Receipts by Military Account Officers

383. Transfer receipts issued by Military Account officers (see Article 176) undergo, previous to payment precisely the same form of scrutiny

and test But the entry of the payment is to be made in the appropriate column of the Military Schedule of Payments (Chapter 27) and not in the Registers prescribed in Articles 381 and 382

Issue of Duplicates.

384. A duplicate of a bill may be issued under the circumstances stated in Article 177; and in the event of the loss of both original and duplicate, a triplicate may be issued on the same terms as the duplicate, the non-payment of the others being certified No special form is provided for triplicates; the form of duplicate must be altered by hand. Neither duplicate nor triplicate can be issued without reference to the Accountant General if the bill has lapsed

385. The duplicate and triplicate must be drawn in exactly the same terms as the original bill, with the same date, the same number, the same amount, and the name of the same payee, so that, if a lost bill has been endorsed, the endorsee must apply for a duplicate through the original payee It will be issued under the signature of the officers in charge of the treasury at the time, although he be not the person who signed the original bill

386. No duplicate or triplicate older than six months should be paid without previous reference to the Accountant General, or, in the case of military transfer receipts, to the Controller of Military Accounts, nor should any duplicate or triplicate of a bill endorsed for payment at a sub treasury be either cashed, or endorsed for payment at a sub treasury, until the officer at the sub-treasury has certified that he has not paid the original, and that he has recorded the issue of a duplicate

Cancellation.

387. When a bill is cancelled as provided in Article 176, the fact of cancellation should be conspicuously noted across the face of the bill; at the *same* time note should be made in the register of bills issued (Form 49) and advice sent to the officer drawn on, who should at once record the fact in the Remarks column of the advice list originally received and also note the amount of the bill in the column of "Amount paid," *vide* Article 380, Rule 1 The amount refunded should be charged, in the schedule of local or foreign bills paid (supply bills or transfer receipts), according as the bill cancelled is a local or a foreign bill, and the name of the treasury drawn upon should be entered in the column of Remarks The entry must be supported by the cancelled and duly receipted bill as voucher, and it must appear, even though issue and cancellation take place in the same month The special (district) number of the cancelled bill may not be used for another bill even though no other has been drawn on the same district between the issue of the bill and its cancellation

Exchange.

388. When a bill is exchanged for another (see Article 180), the original bill will be treated and charged as a bill presented for payment, and the amount again credited as received for the issue of the new bill

Lapse of Bills.

389. Supply bills and transfer receipts, which are not paid before the end of the third account year after that in which they are issued, lapse and should be so marked in the Remarks' column of the advice list, their amounts being at the same time posted in the column "Amount paid' , their amount is transferred to the credit of Government by an account entry made by the Accountant General Should any one apply for payment of a lapsed bill he should be directed to address the Accountant General, if payment be sanctioned, the amount will be charged in the cash book as a miscellaneous refund and noted against the credit to prevent a double payment The rule applies to bills drawn by treasuries under other Governments, as well as by those under the same Government

1 Transfer receipts issued by Military Account Officers lapse in the same way as those of civil treasuries, and payment can be made only under an order of the Controller, Military Accounts

2 Regarding transfer receipts for sepoys remittances see Article 184

Supply of Forms.

390. Forms of supply bills will be supplied to Treasury Officers by the Deputy Controller of the Currency of the circle, and forms of Remittance Transfer Receipts by the local Accountant General Controllers of Military (including Army Factory, Royal Air Force and Naval) Accounts will make their own arrangements for the supply of these forms Indents for supplies should be in Form 55, and should ordinarily be for twelve months' supply

1 All these forms are now printed with a coloured ground pattern on water marked paper Any fraudulent erasure is impossible, inasmuch as it involves the removal of so much of the coloured ground pattern as to ensure detection

2 It has been [illegible] r shall be allotted to each province and [illegible] be in that colour, the printed numbers [illegible] bered forms with the word 'Duplicate' will be used

3 For the convenience of commercial houses it has been decided that supply bills for more than R1 000 may, if required, be issued in duplicate, the fact of such an issue being noted in the advice A duplicate should not, however, be given unless specially asked for

Care of Forms

391 Immediately on receipt of a parcel of forms of bills they should be carefully examined The duplicates for district treasuries are made up in books of ten each, and bear no numbers, they should be counted The originals are made up in books of fifty each, and bear a printed number in a general series peculiar to the province, here the series of numbers in each book should be checked and the books themselves compared with the particulars given in the invoice The acknowledgment should certify that the forms have been counted and found correct

392 The forms of bills and of advices should be placed in store under the key of the Treasury Officer who should each morning issue the book or books containing bill forms, and the advice forms, for the day s use He must be careful not to issue a book of a later serial number before an earlier and therefore should see that the store is so arranged as to prevent mistakes Every evening the unused forms will be returned to him, and he should see that this series is unbroken, that no form is kept back unissued unless it be spoilt, that the number expended in the day agrees with the total numbers of the two lists of bills issued, *viz* on the local and on other Governments

393 Spoilt forms should never be destroyed both the check margin and the form itself should be defaced under the Treasury Officer s initials, and the forms returned to the Accountant General with the list of bills issued (local Form 51), the defaced check margin being retained in the cheque book

(b) Traders and others will pay into any authorised treasury or sub treasury the duty payable on the salt they require, together with its price the price including the cost of the salt and all charges made in connection with bagging, weighing loading and despatching it The Treasury Officer will send daily an advice of such receipts to the Salt Revenue Officer concerned At the end of each month each Treasury Officer will send to the Salt Revenue Officer concerned a statement in Form 57 of all such receipts brought to account during the month and a check statement in Form 56

Each treasury officer will also send to the Assistant Commissioner Northern India Salt Revenue Internal Branch, Agra a consolidated receipt of all fees received on account

of saltpetre *khari*, *rassi* and *sajji* licenses in Form 57, along with the statement of licenses issued and fees realised

(c) Money paid in as a deposit will not be credited to the Northern India Salt Revenue Department, but to Revenue Deposits as a deposit of the Salt Revenue Officer; and repayment will be made on repayment orders signed by the officer through whom the credit is made

(d) At the end of every month the Salt Revenue Officer will prepare a consolidated receipt for all the remittances made by him during the month, giving details of heads, and this he will send with his pass book to the Treasury Officer, who will verify the entries in the pass book, sign it and the consolidated receipt, and return them to the Salt Revenue Officer The Treasury Officer will prepare monthly a schedule in Form 58 of Revenue received (excluding deposits) and forward it to the Accountant General along with his cash account

(e) Revenue realised by officers of the Internal Branch will be remitted to the nearest treasury or sub treasury A consolidated receipt will be prepared monthly by the Salt Revenue Officer who will send it with the receipted chalans to the Treasury Officer for signature and return

(f) The duty and other charges for the purchase of Baragora salt may be received at all district and sub-treasuries of the United Provinces, the Central Provinces, Central India and Rajputana and should be taken in the treasury accounts to the head of account "Bombay Salt Department" The payments into the treasury should be accompanied by indents in the prescribed form for the quantity of salt to be delivered and these indents should be submitted by the Treasury Officer daily in original with a covering list to the Superintendent, Salt Department, Kharagoda, Ahmedabad District Bombay Presidency At the end of each month, each Treasury Officer will send to the Chief Account Officer of Customs, Salt and Opium, Bombay, a statement in Form 59 of all such receipts brought to account during the month

NOTE.—The forms for indents and receipts to be granted for money received should be obtained from the Bombay Salt Department

Expenses of Governor General on tour.

408-A. The Military Secretary to the Viceroy draws funds at treasuries on simple receipts on account of expenditure for tour expenses Such transactions are treated as those pertaining to Central Revenues.

Chapter 23.—Forest Department.

Receipts.

409. All sums paid into a treasury by a Forest Officer or on his account should be credited to the Forest Department as "Forest Remittances"

NOTE 1.—Revenue collected at outlying stations may be remitted to treasuries by means of money orders In such cases no duplicate chalán is tendered at the treasury but the money received from the Post Office is credited without any chalán The acknowledgment with the coupon of the money order is forwarded by the treasury to the Divisional Forest Officer and also an advice of all the remittances received by money order on each day on which such transactions may occur

NOTE 2.—Earnest money deposits tendered by contractors or purchasers of forest produce are credited to Revenue Deposits and not to Forest Remittances, *vide* Article 195

410. (*a*) A Treasury Officer will receive Forest Revenue—

Payments.

413. (a) Funds are supplied to the Forest Department by means of quarterly letters of credit issued by the Deputy Controller of the Currency Against these letters of credit the Forest Officers named therein draw cheques and no charges on account of the Forest Department will be paid otherwise than on cheques so drawn

(b) Officers of other Civil Departments acting as Forest disbursers can obtain funds for Forest expenditure only against letters of credit similarly obtained, *vide* Article 31

1 Cheques drawn on or before the 31st of March and presented for payment at the treasury on or before the 30th of April will be taken by the Treasury Officer against the letter of credit of the official year in which the cheques were drawn If presented for payment after the 30th of April their amount will be taken against the letter of credit of the year succeeding that in which they were drawn

2 For refunds of earnest money deposited by contractors see Article 201 (b)

(3) For cheques received in payment of the value of service postage stamps, see Article 98 II

(c) It is optional with the local Government to abolish letters of credit for Forest Officers and to allow them to draw cheques on treasuries with which they may be placed in account by the Accountant General

414 The Treasury Officer will cash, against the drawing account of a Divisional Officer, a cheque drawn by an officer holding charge of a Forest Sub division or Range provided that he has received from the Conservator instructions to that effect in writing Such instructions must empower the officer personally and may specify the extent to which he may draw That officer must not use the same cheque book as the Divisional Officer

415 A Treasury Officer will endeavour to provide funds at a sub-treasury to meet the demands of a Forest Officer for drawals at that sub treasury provided that he has received due warning from that officer of the probable amount to be so drawn, but see Article 271

416. Each cheque paid will be entered in a schedule in Form 61 to be submitted to the Accountant General

Forest Officers on Leave

417. The leave allowances of Forest Officers on leave in India at a place where there is no disbursing Forest Officer may be paid under the same rule as those of any other gazetted officer no letter of credit being required The bills, however, should be charged in the treasury accounts in the same way as Forest cheques

Chapter 24.—Railway Department.

NOTE.—The rules in this chapter apply also to Railway Companies which, under the terms of their agreements, are provided with funds by credits on Government treasuries and are required or permitted to remit their cash receipts thereto

Receipts

418 No deposit account can be opened in a civil treasury by officers of the Railway Department whatever sums are paid into a treasury by a Railway Officer or on his account must be carried to the credit of that department in the civil accounts

1 This rule applies also to deposits made at the instance of the Railway Department by municipalities or other local funds or local bodies, to meet the cost of works to be carried out by that department In this case the accompanying chalán (Article 5) should state clearly the name of the Railway (and if possible of the Railway district) to which the amount is creditable and of the work to which the deposit relates

419 A Railway Officer who has frequently to make remittances will

1 The consolidated receipt will be signed by the Treasury Officer, however small its amount may be

2 Remittances made to local head offices of the Imperial Bank of India of cheques paid in as Railway receipts should be entered in the remittance book but in the place for the treasury receipt should be entered By Bank cheques and the book need not be sent with the remittance provided that the cheques are always endorsed Pay to the Bank of———— or Credit account of Government

420. (a) In the case of open lines of Railway, remittances of cash are made by or on behalf of the Chief Auditor of the Railway or the Chief Accounts Officer of the Railway where such officer exists as far as possible daily Each remittance is sent under cover of a special form (State Railway Form No C O 20), tendered in duplicate, giving full particulars of the remittance The Treasury Officer will write in words

at the foot of each form the amount received, and will return one of the forms as a receipt, the other being retained in the treasury

(b) At the close of each month the Chief Auditor or the Chief Accounts Officer of the Railway where such officer exists will forward a consolidated receipt to the Treasury Officer for signature (Article 419) The daily receipts will not be returned to the treasury

NOTE.—The Controller of Railway Accounts and the Director of the Railway Clearing Accounts Office also perform the duties prescribed for the Chief Auditor and the Chief Accounts Officer under clause (a) and clause (b)

(c) In the case of railway stations permitted to pay their earnings direct to local treasuries, each remittance will be sent to the Treasury with the book of Treasury Remittance Notes (State Railway Form No C O 20) which contains one block foil and two counterfoils These counterfoils and the block foil will be filled in by the station master to show the full particulars of the remittance The Treasury Officer will write in words at the foot of each form the amount received and will retain one of the counterfoils, returning the book with the block foil and the remaining counterfoil duly initialled and signed respectively From these attested block foils the station master will prepare the consolidated treasury receipt at the end of the month and get it signed by the Treasury Officer and forward it to the Chief Auditor or the Chief Accounts Officer of the Railway where such officer exists

421 All receipts on account of the Railway Department must be recorded in a register in Form 64 care being taken to show remittances received from Departmental officers and their subordinates separate from those received from others on their account An extract from this register will be made and sent to the Accountant General with the cash account

Payments

422 Funds will be supplied to the Company managed Railways by means of letters of credit (Form 62) The Government Examiner of Accounts who is the Audit Officer for this purpose and requires funds to be placed at the credit of the Railway disbursing officers at particular treasuries may issue the letters of credit direct on those treasuries speci mens of signature of the relieving officers being supplied by the relieved officer for the information and guidance of the Treasury Officer when there is a change of office

[1] The system of letters of credit on State managed Railways has been abolished In case of drawings on sub treasuries however the disbursing officers will give the necessary notice to the Treasury Officers concerned as required under Article 25

423 If a letter of credit miscarry or be delayed, and the disbursing officer thereby runs short of funds he may be allowed to draw funds within the limit of the expected letter of credit but the Treasury Officer will at once report the circumstances by telegram to the Government Examiner of Accounts by whom the letter of credit is to be issued

Cheques

424 Officers of the Company managed Railways will draw against their letters of credit solely by means of cheques They are supplied departmentally with numbered cheque books and before bringing one into use will advise the Treasury Officer of its number for record in the register of cheques paid (Form 63) See Article 275

425 Paid cheques will be sent up by Treasury Officers in support of the debits in their accounts accompanied by a covering list working up to the total debit The covering list should show (1) Serial No , (2) No of the cheque (3) Amount of the cheque

Subordinate Railway Officers

426 An officer in whose favour a letter of credit has been issued may empower any of his subordinate officers to draw cheques against his own letter of credit to any extent that he may specify supplying him with a cheque book bearing a different number from his own and of course advising the Treasury thereof

NOTE.—Separate letters of credit for such subordinate officers should not be opened either at the head or at a sub treasury the disbursing officer who ordinarily draws funds for this purpose gives a letter of authority only and the cheques drawn and paid under his authority will be charged off in the same way as if drawn by himself His letter of authority should be dealt with in the manner described in Article 275

427 When funds are required for a subordinate at a different treasury from that with which an officer of the Company managed Railway himself banks the latter should obtain a letter of credit on that treasury and then empower his subordinate to draw against it Funds should not be made available for such a purpose by means of remittance transfer receipts

Payments at Sub treasuries

428 Funds may be obtained by a Departmental Officer or his subordinate officers from tahsils or sub treasuries by means of cheques, but see Articles 22 and 25

Service Postage Stamps

429 No payment will be made at the treasury by officers of State Railways worked by the State for the value of service postage stamps received by them from the treasury Heads of Departments and District Officers, including those not located at the headquarters of the Railway, are authorised to prepare bills for service postage stamps in the special form prescribed in Article 98 I and present them at the nearest treasury, where they will be dealt with in the manner prescribed in that Article No receipt will be granted by the Treasury Officer as cash is not paid into the treasury

Compensation for Lands

430 Payments on account of compensation for lands taken up for the purposes of the Railway Department should be debited direct in the cash book, the name of the Railway (and if possible the name of the Railway district) concerned being specified in each case This rule does not however, apply to payments of compensation made by Special Land Acquisition Officers (see Appendix 7) acting as Disbursers of the Railway Department Such officers should be treated for the purposes of the rules in this chapter as officers of the Railway Department a ... Chapter 26.—Public Works Department.

Introductory.

437. The rules in this chapter apply primarily to officers of the Public Works Department They are equally applicable to Special Land Acquisition Officers and other officers not belonging to the Public Works Department, who may be authorised to incur expenditure against the grant for Public Works" See Article 32

1 Treasury Officers are prohibited from issuing any money for the disbursements of civil officers acting as Public Works disbursers (vide Article 32) except in accordance with the rules in this chapter

438 They do not apply to charges for construction (petty) and repair which are not treated as expenditure of the Public Works Department, *vide* Appendix 5, ~~Rule 2~~ No. 41.

Receipts

439. (*a*) *The rules in Articles 418, 419 and 421 apply mutatis mutandis* to all cash receipts received from or on behalf of officers of the Public Works Department

(*b*) For receipts on account of recoveries of rents of buildings, see Article 46 A These recoveries should be credited in the manner laid down in exception (5) to Rule 2 to Article 278 (*c*)

Payments

440 Funds are supplied to officers of the Public Works Department in two ways —*viz* (1) directly by pay, travelling allowance and contingent bills, and (2) by means of cheques The two classes of payments will be registered separately in the treasury

Bills

441. Gazetted officers of the Public Works Department draw their personal bills in the same way as gazetted officers of the Civil Department Non gazetted Government servants bills and contingent bills are however, drawn only by certain heads of offices, Treasury Officers will cash such bills of Public Works officers only if the latter have been placed in account with them specifically for these purposes by a written authority from the Accountant General

1 The rules in Chapters 1 3 4 5 and 6 apply *mutatis mutandis*

442 Non gazetted Government servants and contingent bills presented for encashment may, at the option of the drawing officer, be paid wholly in cash or partly in cash and partly by (*a*) cash orders on sub treasuries (Rule 2 to Article 9) or (*b*) remittance transfer receipts on other districts *vide* Article 170 (1)

Cheques

443 Officers in charge of Public Works divisions and other Public Works officers who may be so authorised by the Accountant General in accordance with the rules in the Public Works Account Code, may draw cheques on specified treasuries and thus obtain the funds required by them for departmental disbursements not covered by the bills cashed directly at treasuries No letters of credit will, however, be issued specifying the limit up to which cheques may be drawn during the month

444 Payments made on cheques should be recorded in the register of cheques paid (Form 63) prescribed for the Railway Department, but no entries will be made in the column for balance there being no letters of credit The paid cheques should be sent up by Treasury Officers in support of the debits in their accounts accompanied by a covering list working up to the total debit The covering list should show (1) Serial No (2) No of the cheque and (3) Amount of the cheque

Subordinate Officers

445 A Divisional Officer authorised under Article 443 to draw cheque on the treasury may empower any of his Sub divisional Officers to draw against his own account Separate accounts for Sub divisional Officers should not be opened either at the head or at sub treasury, the Divisional Officer gives a letter of authority only and the cheques

drawn and paid under his authority will be charged off in the same way as if drawn by himself But if the Divisional Officer has intimated any limitation on the drawings of a Sub divisional Officer for any month, the cheques drawn by the latter during that month should be noted, irrespective of the date of payment, on the reverse of the letter advising the limitation in the manner prescribed in Article 275 The entry in the register of cheques paid (Article 111) should, however, appear under the date of actual payment

1 The accounts of all Public Works officers are not closed on the last day of the calendar month The letters of intimation will therefore specify the dates of commencement and termination of the month in each case and the intimations advised therein should be held to be applicable to cheques drawn during the month thus defined Any undrawn balance is not available for drawings in subsequent months

446 When the funds are required for a Sub divisional Officer at a different treasury from that with which the Divisional Officer himself banks the latter should get himself placed in account with that treasury (*vide* Article 443), and then empower his subordinate to draw against his account Funds should not be made available for such a purpose by means of remittance transfer receipts

Payments at Sub Treasuries

447 Funds may also be obtained by the Divisional Officer, or his Sub divisional Officers from tehsils or sub treasuries by means of cheques but see Articles 22 and 25

1 See also Rule 1 to Article 445

Pass Book

448 The amount of each cheque paid must be recorded also in a pass book or list of cheques cashed (Form 66) which will remain with the Divisional Officer and be sent by him periodically to be written up by the Treasury Officer from the register of cheques paid, details of cheques paid at a branch bank or at a sub treasury being taken from the daily sheets

NOTE —A Divisional Officer at the headquarters station should send his pass book to be written up every week, that of a Divisional Officer at a distance may be forwarded at longer intervals but the dates should be fixed A Divisional Officer having banking accounts with two treasuries will of course have two pass books

Miscellaneous Payments

449 Miscellaneous payments made at the treasury on behalf of the Public Works Department and payments made by Land Acquisition

Officers, not being Special Officers (Appendix 7), on account of compensation for lands taken up for that Department should be debited direct in the cash book, the name of the division or office concerned being specified in each case

Monthly Settlement.

450 The Treasury Officer should arrange to have a monthly settlement very early in the month with the Divisional Officer, *i e*, he should have the pass book written up in respect of cheques cashed during the previous month and issue a consolidated receipt for the whole of the remittances received from the Divisional Officer and his subordinates during that month, *vide* Articles 148, 430 and 432 He should also furnish the Divisional Officer with a certificate of total issues as follows —

1 I hereby certify that the total issues made from this treasury on cheques drawn against the account of Mr ———————— ————, Officer in charge, ————Division during ———————————19———, amounted to R————(in words)————

Return of Forms Supplied

451 A statement should be sent quarterly to each Divisional Officer giving the numbers and dates of all Public Works Cheque Books and Receipt Books issued (*vide* Article 273) on requisitions received from him and from each of his Sub divisional Officers

Chapter 27.—Military Department

Military Receipts.

469. Advances of pay cannot be made by Treasury Officers to regimental officers on leave in India, even on the authority of a ~~District or~~ Station Order; such officers must make arrangements with their disbursing officers for the remittance of their pay during their absence on leave

470 Treasury Officers will on no account receive cash from Military officers in re imbursement of advances made from their treasuries, as such advances should be adjusted by the officers receiving them in com munication with the Military Accounts Officer concerned

Emergent Payments for Troops on Active Service

471 It may possibly happen that for troops on active service, pay ments not provided for in these rules may be necessary In such cases, the fact of the payment must be reported immediately to the Controller of Military Accounts concerned as in the case of emergent advances

472 In the same way in time of war Civil officers may be directed to incur expenditure for the Military Department in procuring or collect ing baggage animals or supplies or in other ways in such case the Civil officer should at once report to the Military Accounts Officer concerned the best estimate he can form of the amount he will expend and the probable time during which his payments will be made It is very necessary, too that all claims thus incurred should be promptly paid

N B—It must be thoroughly understood that such estimates are only to be considered as a check upon the complete estimates furnished to the Military Department by the authority under whose requisition these supplies or services are demanded

473 (a) Every payment made by a civil officer on account of animals or stores purchased for the Military Department should be supported by—

(1) the payee s receipt and

(2) the receipts of the purchasing officer to whom the animals or stores are handed over in which receipt should be speci fied in the case of animals the depot roll on which they will be accounted for and in the case of stores the return in which they will be brought to account

(b) When there is no representative of the Military Department to whom the animals or stores can be handed over the Civil officer should furnish proof that he has made them over to the railway authorities at the point of transmission for despatch to their destination the proof being a certified copy of the acknowledgment of their receipt by the station master or other responsible officer of the railway

Treasury Pass Book.

487. Each Head Office keeps for each treasury with which it deals a separate Treasury Pass Book, which contains a complete record of all sums received from or paid into the treasury (whether in cash or by transfer) by itself or any of its sub-offices. If the Head Office is at headquarters, this book accompanies all remittances to or demands on the treasury, *and is attested by the Treasury Officer in respect of the Head* Office transactions as they occur, and in respect of the sub-treasury transactions after verification with the credits and debits communicated in the Sub-Treasury Accounts. If the Head Office has dealings with a sub-treasury only, the pass book is not attested by the Treasury Officer, as it would have to be transmitted by post, which would be inconvenient.

NOTE.—When a postmaster has a sub post office under him, which has transactions with a sub treasury in another district, he will keep two Treasury Pass Books, one with the local treasury and the second with the treasury of the other district under which the sub treasury is.

Receipts.

488. (*a*) Money paid into a treasury by a postmaster will be forwarded with the usual chalán and the Post Office Treasury Pass Book and will be acknowledged by the *signature of the Treasury Officer* (or the Accountant and Treasurer in case of sums under Rs 500) in the column provided in the latter.

(*b*) Money paid into a treasury by a sub-postmaster will be forwarded with chaláns in duplicate and the Post Office Treasury Pass Book; the pass book will be signed by the Treasury Officer (or by the Treasurer and Accountant, if the amount is below Rs 500). The duplicate chalán will be retained in the treasury and the original returned signed as above to the sub-postmaster.

489. (*a*) Money paid into a sub-treasury (tehsil or taluk) by a postmaster will be accompanied by the Post Office Treasury Pass Book and a *single* receipt. The Sub-Treasury Officer *will attest the entries* in the pass book and retain the receipt.

Adjustment by book transfer of the payment of Municipal taxes on Government buildings

489 A The following procedure has been prescribed to regulate the book adjustment of payment of Municipal taxes on Post Offices —

The Postmaster on receipt of a bill from a Municipality or Local Board should enter the amount of the bill as a drawing from treasury in the Treasury Pass Book and send the Treasury Pass Book with the bill and a receipt to the Treasury Officer concerned The Treasury Officer *will attest the entry in the pass book and credit the amount to the* account of the Municipality or Local Board as the case may be retaining the receipt as a voucher in support of the charge in his own account The Postmaster on receipt of the pass book with the bill (in which a note will be made by the Treasury Officer to the effect that the amount of the bill has been credited to the account of the Municipality or Local Board concerned) should charge the amount in his office contingent bill the charge being supported by the bill The drawings from the Treasury on this account will be taken against letters of credit

Letters of Credit

490 Letters of credit both ordinary and telegraphic are issued by the Deputy Accountants General Posts and Telegraphs in charge of Audit offices at Calcutta Nagpur Madras and Delhi on civil treasuries in favour of postmasters within their circle of audit to place them in funds for their cash requirements

491 When funds are required for a sub postmaster at a different treasury from that with which the postmaster himself banks the latter should obtain from the Deputy Accountant General Posts and Telegraphs a letter of credit on that treasury and then empower his subordinate postmaster to draw against it

Supplementary Telegraphic Credits

492 Should an unexpectedly large demand on any treasury arise the Deputy Accountant General Posts and Telegraphs will telegraph to the Treasury Officer direct Credit post—thousand and will confirm the telegram on the same day Immediately on receipt of the telegram the Treasury Officer will issue necessary advice to the Postmasters concerned

NOTE —The Treasury Officer is not to refuse merely upon the ground that the treasury balance is very low He may assume that if he accepts the demand the Deputy Controller of the Currency will if necessary place him in funds as soon as possible and he should therefore refuse only if he knows that other demands will have to be met before there is time to place him in funds to meet them

Payments against Letters of Credit.

493 Payments to the Post Office against letters of credit will be made on presentation of receipts which will simply show the amount ——— without mentioning the nature of the charge

——— payments ———

Account and Pass Book as the first item next month The cheques will not have to be presented at the Treasury before they are presented at the Bank for payment. These payments will be taken against letters of credit

494 A postmaster may empower any of his sub postmasters to draw against his own letter of credit to any extent that he may specify, intimation being given to the Treasury Officer and his consent obtained

495. The postmaster will inform the Treasury Officer of the manner in which he desires the amount of his letter of credit to be distributed between the district and any sub treasuries, to be drawn against by himself and his sub postmasters If at any time, payments are required to be made at the district treasury or a sub treasury in excess of the allotment made to it the postmaster will sanction an additional allotment by a corresponding reduction in the amounts assigned to specified sub treasuries or the district treasury The Treasury Officer and Sub Treasury Officers will then pass payments against the revised allotments The redistribution of allotments to sub treasuries should be communicated by wire (wherever possible) by the district treasury to the sub treasuries concerned

496 When funds are drawn by a postmaster from a treasury or sub treasury *(tehsil or taluk)* he *will present his Treasury Pass Book* with a receipt The Treasury or Sub Treasury Officer will initial the entry in the book and return it with the money to the postmaster retaining the receipt as a voucher in support of the charge in his own account

NOTE —Notwithstanding the provisions of Article 13 (c) of Volume I receipts in indelible pencil impressed with the *Ollong Money Order Stamp* and signed by the Head Postmaster may be accepted as sufficient

497 When funds are drawn by a sub postmaster from a treasury or a sub treasury (tehsil or taluk) he will present his pass book with duplicate receipts The Treasury Officer will initial the entry in the book and return one receipt with a note of payment written across it, with the money to the sub postmaster and retain the other receipt in support of the charge in his own account

Post Office Registers.

502 All receipts and payments on account of the Post Office will be posted by the Treasury Officer in Registers of Post Office Receipts and Payments The transactions of each Head Post Office having a separate letter of credit at the treasury should be shown in a separate column sub divided for payments in cash and by transfer Receipts and payments originating in the Civil Department should not be included under any Post Office, but should be shown in a special column headed Miscellaneous''

Consolidated Receipts

503. At the end of the month, the Postmaster of each Head Post Office will prepare a consolidated receipt in Form No 71 A for all payments made by him during that month into each Treasury, giving full particulars of each transaction chronologically, and send it to the Treasury Officer by the 4th of the month following The Treasury Officer will fill in, against each item in the receipt the month in which credit has been afforded by him attest the entry, make out an analysis of the amounts of his credits by months at the foot of the receipt and return it to the Postmaster by the 10th of the same month

The Postmaster of each Head Office will prepare in duplicate (by carbon process) in Form No 71 B a similar consolidated receipt for all drawings from each Treasury made during the month giving full particulars of each transaction chronologically and send it to the Treasury Officer by the 4th of the month following the month of transaction The Treasury Officer will fill in, against each item in the receipt, the month in which the corresponding debit has been raised by him, attest the entry, incorporate in the consolidated receipt any modifications by addition or deduction in red ink at the end and also make out an analysis of his debits by months at the foot of the receipt The Treasury Officer will agree the figures with his total debits for the month and send both the copies of the receipt to his Accounts Officer by the 10th of the month following

Postage Stamps

504. Rules for the supply and distribution of stamps of all descriptions (including postage stamps) laid down by the Government of India are reprinted as Appendix 9

Chapter 29.—Indian Posts and Telegraphs Department—Telegraph Section.

Receipts

505 Whenever money is sent to a treasury or sub treasury the Telegraph Officer who sends it must forward with each remittance a remittance book on which the Treasury or Sub Treasury Officer (or the Accountant and Treasurer when the remittance is under Rs 500) will note his initials as a receipt and a chalán or memorandum of particulars of payment which will be retained (and in the case of a sub treasury forwarded with its accounts to the district treasury) The Treasury or Sub Treasury Officer or the Accountant and Treasurer, as the case may be will furnish the Telegraph Officer with a separate receipt as his voucher for payment The remittance book will be a simple memorandum book with date particulars and amount of remittance and place for initials of the Receiving Officer

506 Telegraph Officers are prohibited from opening any deposit account with civil treasuries Every payment made to a treasury must be to the credit of Government as a Telegraph Remittance

Adjustment by book transfer of the payment of Municipal taxes on Government buildings

506 A The following procedure has been prescribed to regulate the book adjustment of payment of Municipal taxes in —

Radio Offices and Departmental Telegraph Offices which draw funds from Post Offices —These offices should on receipt of the bill for taxes from the Municipality or Local Board send it to the Post Office concerned for adjustment with the treasury The Postmaster should then follow the procedure outlined in Article 489 A for post offices and charge the amount as a payment to the Departmental Telegraph Office or Radio Office as the case may be the charge being supported by a receipt to be obtained from the Officer in charge of the departmental Telegraph Office or Radio Office The Officer in charge should in his turn credit the amount in his account as a receipt from the Post Office and charge it to the head Rates and Taxes' in his Primary Abstract the charge being supported by the bill

Divisional Offices (Engineering and Wireless) and Departmental Telegraph Offices which obtain funds direct from treasuries.—These offices should, on receipt of the bill, issue a cheque in favour of the Treasury Officer and request him to credit the amount to the account of the Municipality or Local Board, as the case may be The amount should at the same time be charged in the Primary Abstract to the head "Rates and Taxes", the charge being supported by a receipt to be obtained from the Treasury Officer in token of his having received the cheque

Payments

507. The issues of money from treasuries are made only to or by order of officers in recognised charge of store depots (except the Calcutta Store Depot) or certain selected Departmental Telegraph Offices and are entered in the treasury accounts as remittances (or transfers of public money) from the treasury to the Telegraph Branch of the Indian Posts and Telegraphs Department

NOTE—Payments for the Calcutta Store Depot are made by the Accounts Officer, Telephone Revenue Store and Workshops Alipore

508. Whenever a relief from charge of a Division Store Depôt (other than the Calcutta Store Depot) or an office which draws funds from a treasury is ordered on account of transfer, leave, suspension or otherwise, the relieved officer should intimate the fact and send a specimen of the signature of the relieving officer to the Treasury Officer In cases, however, where an officer dies or leaves his post the intimation and the specimen signature should be sent by the officer's immediate superior

509 Telegraph Officers who are supplied with funds from treasuries draw money on cheques without letters of credit

NOTE.—These officers are supplied departmentally with numbered cheque books and before bringing one into use they will advise the Treasury Officer of its number for record in the register of cheques paid (Form 63)

Foreign Telegraph Advances

510 Balances found to be due to foreign telegraph administrations for messages sent by their lines will be paid by Treasury Officers on presentation of certificates signed by the Accounts Officer Telegraph Check Office

Cheques

511. Officers in charge of Telegraph Engineering and Wireless Divisions and Telegraph Store Depots (except the Calcutta Store Depot) and Superintendents in charge of the Departmental Telegraph Offices at Calcutta, Bombay Madras Agra Rangoon Lahore Ahmedabad,

[illegible] in charge of the Depart[illegible] in Lines 5-6 of this Article [illegible] No 149, dated the 1st October 1931]

No letters of credit will, however, be issued specifying the limit up to which cheques may be drawn during the month

NOTE —The rules in Articles 444, 445, 446, 448 and 450 regarding cheques, payments to Sub-Divisional Officers pass books and monthly settlement apply *mutatis mutandis*

Sub-Treasuries.

512. A Divisional Officer or a Sub-Divisional Officer may, by previous arrangements with the Treasury Officer concerned, obtain funds by cheques drawn on sub-treasuries

513—518 *Deleted*

Postage Stamps.

519. Sanctioned permanent advances of postage stamps may be made to Heads of Departmental Telegraph offices without payment; their value will not be credited in the treasury account but deducted in the *plus* and *minus* memorandum of postage stamps, the deduction being supported by the receipt granted by the head of the Departmental Telegraph Office and the sanction

520. To prevent inconvenience to the public when treasuries are closed for holidays of more than one day's duration, Treasury Officers are authorised to advance to Heads of local Departmental Telegraph offices without payment, such postage stamps as the Postmaster General (Telegraph Traffic Branch) of the circle may consider necessary; the requisition of the Postmaster General will be attached to the receipt for the stamps and will support the reduction appearing in the *plus* and *minus* memorandum

521. These temporary advances are to be adjusted immediately on the reopening of the treasury by the return of the unused stamps and the money value of those sold and care should be taken that no delay occurs in effecting the adjustment The cash received will be credited in the cash book as proceeds of postage stamps sold in usual course, with a corresponding entry in the *plus* and *minus* memorandum, and in the latter in a separate entry the full amount of stamps advanced will be shown as returned

NOTE —If the stamps are issued and returned in the same month, neither the deduction on issue nor the addition on return need be shown in the *plus* and *minus* memorandum

apter 30.—Local Funds.

Receipts and Payments.

522. The transactions of all local funds, including municipal and cantonment funds should be recorded in the form used for personal deposits, but must be kept quite distinct, and must pass into the cash account as Deposits of Local Funds, and not as Personal Deposits

523. The transactions of each fund should be entered in a separate column in the treasury register which allows one column for every such fund in the district Unless the funds are very few in number, it is most convenient to have registers and totals for municipal and cantonment funds separate from those of other funds

524. The account of a local fund at the treasury is ordinarily a pure banking account, money being paid in and drawn out without specification of the nature of receipt or expenditure see Article 220 The Treasury Officer need only see that the voucher for payment is in proper form and signed by the proper officer and that the amount does not exceed the amount at credit of the banking account

Plus and *Minus* Memorandum.

525 A *plus* and *minus* memorandum should be appended to the monthly accounts showing for each local fund the balance at the beginning of the month, the amounts received and credited during the month, and those paid out during the month and the balance at the end of the month In the case of local funds, which have a provincial balance only, the balance column should not be filled up

Verification of Balances.

526. The balances at credit of each fund should be verified annually in the manner prescribed in Article 222

A separate column on each side will be assigned to each account, wherein the daily *gross receipt* and gross charge will be entered from the personal ledger. Thus there will be but one single *line* in this register for the transactions of all personal *ledger* accounts each day, and its gross totals will give the figures to pass into the cash book. A page of *foolscap* has probably breadth enough for nine such accounts. *If there be more than one page can accommodate, either the two sides may be separated into different parts of the* same volume, the same columns being *carried across* both pages, or more than one register may be *opened*, and the totals of the second, third, etc., carried [illegible] separate [illegible] of the first.

The column of "Payment at sub-treasury" is provided under "Orders issued" in order to give space for marking of paid orders and ascertaining whether the total of the orders outstanding agrees with the balance on the books. The balance month by month (the difference between the sums of the two columns of daily totals) should be carried forward to the new month to the sums of daily total under "Orders issued". Under Orders paid the entries will be made in the order in which the paid orders are received back from the sub-treasury without reference to the period of issue, and the total will be agreed with the total charge in the sub-treasury account; the payments will at the same time be marked off in the issue columns from the original paid orders. The orders may be numbered in a general series for the whole district but those on each sub-treasury must also be numbered in a separate annual series. The column "Value how received" is intended for marks denoting cash or transfer.

† The letter of the Deputy Controller of the Currency or a clause of the rules authorising issue of bill should be quoted in this column.

There is ample space for this form in the length of a half sheet of foolscap (about 13 inches) which should accordingly be used instead of book paper, the latter being very expensive. The good machine made foolscap supplied by the Stationery Office is sufficiently good for the purpose. The register should be printed and bound before issue, the sheets being bound by the middle as received from the Stationery Office, not by the edge.
